Notes : ** Full field rate, divide by 2, or 50%, should be the invoice raised from the Turf Operator to the visiting club
This schedule is prepared and updated annually as the information becomes available solely to assist Club treasurers in calculating a Club's competition costs and striking Club Members annual or match fees, and understanding from which entity to expect Turf invoices.
The rates advised herein are as advised to Hockey WA by the relevant Turf Operator, and are presented in good faith. No warranty, express or implied, should be construed as to correctness (Turf Operators are at liberty to amend field rates and player entry charges). Rates would not be expected to be changed once struck for the season.
