Welcome to the new Junior Season

We are about to embark on a transformative year at Melville Hockey Club. The old club rooms are being knocked into the 21st century while the addition of a new building adjacent the turf will be a very welcome addition on those cold wet August days. Construction will continue into the season, and will cause some inconvenience, however with some patience and support, we will be rewarded with a state of the art facility. Please get behind the club's fund raising events to help us furnish our new facility.

GRADING

Kicks off on Monday 2nd March. It's the long weekend, but we will still be training. Please arrive at **4.45pm** to get your numbered bib and to Warm up. If you cannot make a session, please let your coordinator know.

MOUTHGUARDS

Will again be available at the club in the first week of preseason.
Please go to the gazebo on the grassed area for fitting.
Wednesday 4th 4.30pm
Thursday 5th 4.30pm
Monday 9th 4.30pm
Tuesday 10th 4.30pm

IMPORTANT

We are moving the Junior club towards using TeamApp. Please help us by downloading the App and joining Melville City. It will give you fixtures, team and club communications at your fingertips.

Kind regards,
Roger
