### **Ladies Promotion 1 vs SW Strikers (Won 3 - 2)**

Best: P. Hetherington, M. Eum, M. Silvey

Goals: S. Gale, C. Pickford, E. Stratton

Phew. A game that we could of, should of and thankfully did. A spirited contest today against a competitive team from the south west. Scoreboard pressure was slightly eased as a well executed corner put us in the lead at the half time break. Injuries were on top of the leaderboard but the scoreboard soon caught up with another two quick goals. A scrambling final 20 minutes and with bodies battered and bruised we held SWS to an intense 3-2 win. Good job girls. Aimee, can't wait to see your beautiful nose.

## PROVISIONAL LEAGUE

### **Ladies Provisional 1 vs UWA (Lost 0 - 2)**

Best: G. Glaskin, K. Atkinson, K. Meacock/H. Menegola

Good Game Girls. A pleasure to watch. We lacked a bit with our trapping and delivery to a player in a good position. Maybe some of the passing was trying to go too far which gave the opposition a chance to intercept. We never stopped trying and they only scored from simple mistakes in the crucial defensive zone. Keep the press so you don't give them a chance to build coming out of defence before the final assault on goals. More practice on individual skills and lots of GOAL practice would only assist us in the long run. A huge Thank you to Nigel Atkinson for filling in as Coach whilst Greg was playing his game.

## **Ladies Provisional 2 (Gold) vs WASPs (Lost 1 - 3)**

Best: A. Sperinck, K. Welten, J. Holmes

Goals: S. Dalgleish

A determined, capable and physical opponent pushed us the entire game. We played hard and took it to them playing some of our best hockey this season. I especially enjoyed all the controlled violence and swearing that was new. Solid effort all around girls. Thanks to Tegan for filling in :)

## **Mens Provisional 3 (Gold) vs UWA**

## **Mens Provisional 4 vs Kwinana (Lost 2 - 3)**

Best: A. Bedford, J. Cornwall/T. McEntee

Goals: D. Hadley, J. Wake

Unfortunately it was our first loss at home which put an end to our home ground winning streak. Our skills are improving, as we are moving the ball around better, but we need to stop having everyone chasing the ball and stick to our marks on occasion. It would have been a completely different game without the couple of dodgy umpire calls...

## METRO LEAGUE

### **Mens Metropolitan 1 vs WASPS (Lost 0 - 1)**

Best: T. Barrett, D. Pickering, S. Willis

A gutsy effort to play with 10 men only to concede an OG in the last couple of minutes.

### **Ladies Metropolitan 1 vs Uni Assoc (Lost 2 - 3)**

Best: K. Mishra, J. Olde, L. Brearley/L. Coss

Well Uni are always a hard task and today was no different. It was a tough rough game but we dominated in the first half with our short accurate passing which unfortunately faded away in the second half and we let them back in. Once again the umpires didn't show up, so Thanks Jonathon Rayfield for filling the gap.

## VETERANS

### **Ladies O35 Division 2 - BYE**

### **Mens O40 Midweek - BYE**

### **Mens O40 Division 1 vs Southern River (Won 6 - 0)**

Best: D. Wilson, A. Scanlon, B. Hancock/D. Ross

Goals: B. Potter (2), A. Scanlon (2), J. Cooke, D. Wilson

Excellent result against a committed opposition. Chippy scored two excellent goals, and Wildy & Scanners dominated going into attack. Hank & Dave also did an excellent job defending the team from Crowley's incompetence by rarely allowing the opposition into our D.

### **Mens O40 Division 2 vs Hale (Won 3 - 1)**

Goals: A. Criddle, C. Simpson-Bint, A. Spear

Tough win over those nasty Hale boys.

### **Mens O40 Division 4 vs Hale (Won 5 - 1)**

Best: M. Lawrence, P. Paino, B. Kennington

Goals: M. Lawrence (3), D. Wauhop, S. Walker

Good all round team performance. Fantastic forward pressure from the full backs the halffbacks and linking play from inners and thr centre forward gave us a lot of scoring oppurtunities upfront. This time we seemed to have though we converted our chances into goals. Well done guys

### **Mens O50 Division 1 vs Hale (Drew 1 - 1)**

Best: M. Jensen, G. Ross, A. Reynolds/P. Dawkins

Goals: G. Hunt

With late withdrawals due to injury and sickness, we managed to field a team with the help of friends. Thanks to Graeme, Kevin and Lewie for your efforts on the day. Unfortunately we couldn't put enough balls in the back of our net to secure the points but a draw is better than a loss. When we are back to full strength, our opposition had better watch out. Let's hope it's before September!

### **Mens O50 Division 2 vs Southern River (Won 2 - 0)**

Best: R. Nottage, S. Llanwarne, T. Brooks

Goals: A. Marshall, M. Pitcher

A good team performance

### **Mens O50 Division 3 vs Hale (Won 4 - 0)**

Best: G. Bowater, S. McEntee, M. Hudson/R. Bell

Goals: S. McEntee (3), G. Bowater

Great come back game from last week. Everyone put in a fantastic effort. Thanks to John Smith, Kelvin Woodward and Andy Toogood for helping fill the void of missing players. Steve McEntee slotted three and Gary Bowater one to see us cement our position in the four. Another great team effort

### **Mens O60 Division - BYE**

## JUNIORS

### **Boys 11/12A vs Peel (Won 5 - 2) 2013-05-10**

Best: Ash Ranford, Fraser Hay, Julian Bocking

Goals: F. Hay (2), P. Rundle (2), J. Lawrence

Great forward pressure, quick passing and quick counter attacks saw us 2-0 ahead after 10 minutes. Even though we dropped off quite a bit, we still entered half time 3-1 up. The boys then lifted their game and played a solid 35 minutes for the second half, moving the ball well going forward, and great defensive work rates. The 3 boys that came up, Alex, Tom and Jordan fitted into the team very well, and all played really good games.

### **Boys 11/12A vs University (Won 3 - 2) 2013-05-17**

Best: Jack Davoren, Pat Rundle, Isaac Freshwater

Goals: M. Tate (2), J. Ross

It was always going to be a hard game against UWA at UWA. With Jayden out the lineup was tinkered with a little. Callum and Jamie played excellently in the forward line, Jamie scoring the first goal and Callum with his non stop pressure. We moved the ball well early on, and gained a 3-1 lead at half time thanks to some great team work. In the second half we cracked a little under the pressure, allowing them to score, which then turned the last 10 minutes into mayhem. The boys held their nerve and defended very well to allow us to walk away with a 3-2 win.

### **Girls 11/12A vs UWA**

Best: M Sader, S Gerrard, S Matthews

The girls took on some quality opposition that included a number of State players this week and were unlucky not to score a couple of goals when some shots went just wide of the net. UWA failed to capitalise on its seven short corners most of which were thwarted by the fearless Sarah and her intimidating face mask. Despite the score the match was very intense with our defence fending off a determined opposition but on a few occasions UWA managed to outrun our defence and score. UWA showed us how the midfielders can create opportunities and capitalise on them. We may have lost but we have learnt a couple of valuable lessons early in the season.

### **Girls 11/12A Res vs UWA (Drew 1 - 1)**

Goals: K. Wynhorst

Great game from the girls. Created plenty of opportunities but couldn't convert. Starting to gel as a team. Thanks to the fill-in girls for a good contribution.

### **Boys 11/12B vs OGMHC (Lost 0 - 3)**

Best: J. Templeman, M. Kennedy, A. Lawrie

Even though we were beaten 3-0 the match was fairly even, having no reserves was probably the difference. Great game in goals for first time keeper Angus, overall good team effort, strong defence from Mitchell at full back and many strong runs forward from Jordan, just unable to capitalise on limited opportunities.

### **Boys 9/10A vs UWA (Lost 0 - 4)**

Best: J. Thorn, M. Love, S. Hird

A tough day out against UWA on an average at best grass field at 8:30 on a Sunday morning resulted in a 4 nil loss. Jamie left the field early after a lifted ball in defensive D which put him on the side line with a bruised arm at the 15 min mark. 2 nil at half time the boys were still in it thanks to our fill in goal keeper Macka who did a fantastic job all day making numerous saves to keep them in the game for a long time, eventually in the second half with a reduced bench of only 1 UWA managed to increase the pressure which resulted in a further 2 goals.

## **Girls 9/10A vs UWA**

Best: M. Foss, A. Marler, N. Matthews

Goals: C. Dawes

" A Challenge IT WAS ". Grass grass. Grass. The girls met an exciting challenge today where we had players who couldn't stay on their feet. Not mentioning any names (Cloey). It was a very good day for footy boots. If they were handy. We started off arriving at the game looking like we were half asleep. The first 5 min was a bit rocky, and then bang the sunshine burst through the sky and some good hockey was being played. UWA scored and we came back to even the score. With a great goal!!! Today was a great effort from lots of Girls, that were asked to do simple tasks and, I congratulate them. Remember girls you can set as many goals as you like. UWA finished the game by scoring 1 more goal. We gained more experience today by learning more about our team members. Thank you girls for your enthusiasm. Bullet proof gets a special mention. We don't have enough dummy's to hand out for the award this week. The award goes to a lot of the parents for yelling out loudly at the umpire about wrong decisions???? We know who we are. P.S. thank you to Don Miller and welcome Mark Tate.

## **Boys 9/10A Res vs UWA (Lost 0 - 5)**

Best: H. Lock, W. Reynolds, M. Dixon

A pretty disappointing result but on reflection, it's always going to be tough without reserves. Hopefully next week we'll be at full strength for the first time this season. Many thanks to Nick Deluca for filling in for us at RH and RFB - a very handy player. Despite the dismay of the weekends loss, and the coaches rant, the team can take a positive boost from all who watched and saw the boys never give in, never lose heart. We run tirelessly but fall down in a few key areas that we need to look closely at and address at training. Remember, a hockey game is a 70 minute game of "keepings off" and we give the ball to the opposition far too much. These turnovers result in us wasting so much of our efforts by having to run harder than need be. Smart running and ball use is essential, also, use what we learn at training in games.

### **Girls 9/10A Res vs UWA (Lost 0 - 2)**

Best: Team Effort, ,

This was thought to be a tough game and it turned out that way. UWA started well and kept the pressure up. They were up 2-0 with field goals. Saves by goalkeeper Kate and good defence restricted the scoring. Though Melville moved the ball into the UWA circle, they were not able to convert the many goal front melees.

Melville started the second half strongly and won the first penalty corner of the game. The forwards found their rhythm and linked up well. UWA slowly got back into the game and had a 15 minute spell where Melville were unable to get the ball into opposition half. UWA also forced a number of penalty corners. But the defence stood strong once again. The score remained unchanged and the girls should take credit that they matched one of the better teams and held them goalless in the second half. With a bye in the next round, a few good training sessions will see this team continue to improve their talent.

### **Girls 9/10B (Gold) vs St Brigids (Lost 1 - 7)**

Best: O. Fruzynski, C. Coggin, B. Irvine

Goals: B. Irvine

Game began with melville holding off a good defence and having some sneaky attacks on goals without being able to get one on the board. As the game went on the intensity dropped and St brigids pick it up putting some cracka goals into the net. The girls played a good second half and managed to finally get one in. Unfortunately we lost 7-1 but we did our best to hold them off and we have a few things to improve on but all in all it was a good effort from both defence and attack.

### **Boys 9/10C vs Canning**

Best: M. Widger, R. Breuer, B. Belke

Goals: R. Breuer (3), M. Widger (2), M. Hayward

On our third game of the season we versed the Canning Cougars and for once we had enough players for a full team and reserve. We won 6-0 thanks to the combined effort of Ryan, Mitch, Widger, Tom and Scott in the forward line. We clearly had the advantage and that was they were playing two men down. It was a great day for a win and the support stayed by our side egging us on. Great work Melville.

Best: D. Whibley, M. Love, J. Floyd

Goals: R. Bright, D. Forbes

Unlucky to only grab a 2-2 draw today after playing our best hockey for the year. Each week we continue to take big steps forward and improve both individually and as a team. Very encouraging to see our instructions and game plans being followed out on the field, and hopefully this continued improvement will see us pick up our first win very shortly. Well done, but still a lot of work to do!

### **Boys 7/8A Res vs Rockingham (Drew 1 - 1)**

Best: J. Grimston, L. Downey, B. Delaney

Goals: C. Surtees

A really enjoyable game today. Fantastic defensive work and great attacking which saw us have multiple opportunities.

It is good to see the Boys starting to string together multiple passes and creating some space to run into. Jay and Lochie had fantastic games in their respective Half positions with strong tackling and working the ball forward. Cameron was dominant in the middle and pushed up forward to score with some great dribbling and stick work. Great to see Josh T come back on after a solid knock to the knee. Well done Josh.

### **Girls 7/8A Res vs Vic Park (Drew 2 - 2)**

Best: K. O'Sullivan, C. Drayton, A. Ross

Goals: K. O'Sullivan, C. Thompson

A draw plus 2 goals yippee. Great goals scored by Ciara and Kayla. The teamwork to get the ball in the D was excellent. The girls worked hard in the first half and it paid off? It was a great come back in the last 10 minutes of the game as we really put the pressure on.

### **Boys 7/8B (Gold) vs Canning (Lost 3 - 6)**

Best: B. Hopkinson, O. Spear, K. Milson

Goals: A. Wright (2), O. Spear

After a bye in Round 2 the boys rallied this week against a strong opponent. The opposing teams' forward line was strong but our team rallied and some quick turnovers were taken advantage of - leading to our three goals. A fantastic first goal from Oliver was then backed up by Anthony scoring two great goals - not bad from a player who has only started playing hockey this year!! We were down 5-1 at half time but our boys won the second half convincingly having most of the play. A great effort by all the boys who are showing that they will only get stronger as the season continues.

### **Boys 7/8B (White) vs UWA (Lost 0 - 7)**

Best: T. Alder, J. Walkemeyer, A. Dunlop

Each week the boys are improving from the week before. Today Taj showed a lot of character and really wanted the ball. He set a great example for the rest of the team the follow. Next week we have a rare chance to play back at the club.

### **Girls 7/8B (Gold) (Maroon) vs Lions (Drew 0 - 0)**

Best: E. Shaw, C. Hobbs, B. Martin

All the girls played extremely well just missing a couple of close goals.

### **Girls 7/8B (Gold) (White) vs Westside Wolves (Grey) (Lost 0 - 6)**

Best: E. Rolls, J. Wenham, P. McWhae

The girls played a great game and stepped it up a notch in the second half. Their team work and skills are coming along nicely.

### **Boys 5/6A vs UWA (Lost 0 - 6)**

Against a bigger stronger opponent our defence and mid fielders were under constant pressure. University showed the strength over the ball and position disciplines that Sean has been focusing on at training, and exactly what happens when you have players in position and can link passes from the backline to the forward line. They also showed the value of stopping, having a look to find the gaps, and strong hard hitting. These are all elements we are working on, and could probably best describe ourselves as a work in progress. Despite the score the boys kept trying and created a few of their own opportunities to score with some near misses. Wolves and University have set the standard. Sean is on the right track with what he is doing at training, we just need to make sure work hard and eventually it will come together.

### **Girls 5/6A vs UWA (Lost 1 - 2)**

Best: I. Filmer, C. Forbes, Z. Polglase

Goals: N. Flynn

It was a fairly even match against UWA and Neasa scored a fantastic goal off a short corner early in the first half. UWA fought back hard though and tested our defenders: Zoe, Georgia M, Sam, Saoirse, Ivy and Chloe P in goals who played brilliantly and refused to let the opposition get a goal in the first half. Despite our determination and the best efforts of every Melville player UWA scored early in the second half. It was a great game to watch with our forwards constantly attacking and putting the UWA defense under pressure. Standouts in this area were Chloe F, Neasa and Lucy with support from Alyssa, Kate and Georgia F. Unfortunately UWA scored another goal with 5 minutes to go and although we tried our hardest we couldn't score. Fantastic effort girls, you all never give up and your first win can't be far away now!

### **Girls 5/6A Reserve vs Joondalup Lakers (Lost 0 - 1)**

Best: Team effort

It was a misty start to the day as the girls took on Joondalup Lakers at Freo. The Lakers scored in the first half as the girls were a little slow out of the blocks. The second half was a much tighter contest and the girls were unlucky not to score through repeated short corners.

### **Boys 5/6B (Gold) vs UWA (Drew 0 - 0)**

Best: B. McVeigh, B. Gillett, M. Odingo

Great defensive effort for a nil draw. We nearly scored a goal at the end to win but we wouldn't have been in the game without a great game from our full backs and half backs.

### **Boys 5/6B (White) vs UWA (Lost 0 - 2)**

Today the boys played really well just couldn't score goals. The passing between players is improving and there was a lot of action when going forward. When the goals start coming look out opposition. Best player today was Levi who worked hard as lhb all game. Second player was Archie who was relentless in attack.

### **Boys 5/6 Regional (Sand) vs Canning (Won 1 - 0)**

Best: S. Beck, L. Drake-Brockman, Z. Swinton

Goals: S. Beck

The team played a great game all round with a great early goal putting us in the lead for the entire match. Lots of good passing and talk, especially during the second half. It was unfortunate that we couldn't finish a few more opportunities, definitely something to work on at training! Plenty of shooting and work on using the half backs and wings during this week's training! Great job guys.

### **Girls 5/6 Regional (Gold) (Maroon) vs Melville White (Lost 1 - 2)**

Goals: N. Champion

Well the girls have started bonding and called themselves 'The Killer Cupcakes'. Despite an interrupted pre-season training the Cupcakes are just getting to know each other and coach Glen. They had a fabulous first game and fought so very hard but lost 2-1 against Melville Regional Whites. The girls set off to a great attacking first half with loads of energy and some great tackling. Taylor consistently tackled well and cleared the ball into our attacking half. After lots of heart the girls got into the D and Nikki scored the first goal from some strong help from Elena. The girls continued to work hard but the game see-sawed into defence often. We saw some cracking hits from Lily in FB with good back up and positioning from Jordan. Aneka shone in goals with 2 fantastic saves but unluckily 2 slipped through.

The second showed the girls continuing to fight hard in the attacking 25 but just couldn't convert into goals. Some terrific positioning play from Georgia and great forward pushing and tackling from Charlie. The girls executed the first Short corner with panache with good stopping and hitting from Tessa and Olivia. Sacha had a never-give-up attitude which reflected in all the girls.

Well done KCs

### **Girls 5/6 Regional (Gold) (Maroon) vs WASPS (Won 1 - 0)**

Goals: C. Templeman

Melville Maroons are showing improvement with each game played. Today was their first victory and whether in defence or attack each team member fought well. It was pleasing to see the team spend more time in attack and starting to show improvement in looking for their teammates to pass to. They also improved at backing and supporting each other. All the team fought hard through the whole game. Continued practise and working as a team will result in much improvement as the season progresses.
