Weekend Games – A mixed weekend and results with the top squads. The men started off very slowly and with a talented team like WASPS could recover. The first half was bad and the second half was good. We all need to be firing to get into finals 4 – 1 loss. The women played a tough game away in Rockingham. There were injuries and the game was very physical. Our girls are still on track with a 2 – 2 draw.

As a footnote to all the top squad players and playing members for that matter. We are halfway through the season, you have been training since pre season and it has been nothing but hockey since before Christmas for many of you. This is where the mental resolve comes in. One must stay focused and tough to bring it home. This is not easy but if successful we will get our rewards with positive results. Remember the other teams are feeling it to and we need to improve each week to stay on top.

Minkey Games – It is great to see so many Minkey kids (hookin2hockey) out there each Saturday Morning with coaches, families and friends. These budding players are absolutely what hockey is about. They are all having fun while being watched by their fans. Finished off with a great Bacon Burger or Sausage in a bun from our BBQ after the game. Thank you to Maureen Welten and the top squad volunteers for providing a big part of this fun day.

Back to the Club Night – A big attendance day for the club and the opposition WASPS were also well attended by their fans. It is so nice to see our Life members and their partners attend these functions. I think they all had a good evening with hot soups and the odd drink during the game mixed with the often good sense of humour conversations. Our sponsors were present and well represented. Nice to see Richard and Amanda from Gateway Printing and thank you for the gift note pads handed out on the

night. Once again Catherine Timmell, Leonie Meacock and Tracy Hunt were fantastic getting food and drinks organized and the invitations out on time so our guests were well aware in advance. This really makes the night for our special guests truly special.

Volunteer Duties - I wish to give a special thank you to Maureen Welten for all the great work she has been doing in the kitchen. A usually shared responsibility with Lynda Forbes, Maureen has been organizing the running of the kitchen while Lynda is away mainly on her own. If you can find any time, the kitchen is an area that needs more permanent assistance on top of the regular roster which assist on key days of week. Please contact Maureen Welten or Gary Bowater, or leave your details at the bar to be passed on if you would like to assist.

Sponsors – We have some new sponsors this year which are very useable by the average household. Australian Leading Lock Service and Creation Jewelers are now onboard with us. Please where possible give our sponsors a go as their generous donations really help the club.

I wish you all a very good week and look forward to seeing you at Melville Hockey soon.

Gary Bowater - Melville City Hockey Club – President.

PREMIER LEAGUE

Mens Premier Alliance vs Wasps (Drew 2 - 2)

Goals: P. Rundle (2)

Coming off our worse game of the season last week the boys had a point to prove against ladder leaders Wasps. We opened the scoring through junior Pat Rundle but wasps were able to equalise minutes later after some sloppy defence. Wasps took the lead before half time. New recruit Chris Morrison from the 4's was playing out of his skin at the back as well as Pat Rundle and Frank Reynolds. Patrick scored the 3's second goal off a deflection. The final 20 minutes was intense finals like hockey and we were unlucky not to take the lead, after some good attacking movement from our senior players. We now look to Wolves and hopefully get our season back on track.

Ladies Promotion 1 vs Rockingham (Drew 2 - 2)

Best: S. Gale, M. Silvey, B. Clark

Goals: S. Gale, E. Stratton

How do you explain a game that you should have come away with three points, you only salvaged one point but you are pleased injuries were kept to a minimum and we all made it home safely. Suffice to say we travelled to Rockingham which we always knew was going to be a physical game and that's exactly how it panned out. We had two goals on the board by the half and were looking for more. The physicality however took its toll and we allowed Rockingham to push two goals over the line evening up the score. Not a pretty game of hockey by any means and one perhaps that we can look back on and remind ourselves that "when the going gets tough, the tough get going".

Ladies Provisional 1 vs Hale (Won 3 - 0) 2013-06-08

Best: G. Glaskin, R. Savill, B. Coleman

Goals: G. Glaskin, r. Neil, R. Savill

What a great win!! We have struggled to find the net up to this point in time but now we seem to know where it is. Let's keep the intensity and the desire to win going forward from this game. Some crucial games are coming up - if we win them, we will be well placed for the late part of the season. As Gayze put it, it was fantastic to have Sue back and with Sophie back on the park and Bec finding some form after a long lay-off, it helped us control the game and come away with the win we so much deserved. See you all at training.

Ladies Provisional 1 vs Modernians (Won 1 - 0) 2013-06-16

Best: S. Heal, G. Glaskin, K. Atkinson

Goals: S. Heal

What a way to send off Gayzey! A hard fought win setup by an early goal that kept us excited and enthused and caused Mods to play catchup. They nearly did – with the last 15 minutes being frantic but defensively very strong. With Brit and Bec contributing well and Sophie holding down the centre despite being a few wisdom teeth short, we played a good brand of hockey for most of the game. Everyone played well and some great moves set up some opportunities. As we further understand our positional roles in the team the cohesion will get even better. Keep up the good work and see you at training.

Ladies Provisional 2 (Gold) vs Canning (Lost 1 - 2) 2013-06-08

Best: B. Antonio, A. Sperinck, K. Welten

Goals: K. Welten

A well fought game even though half the team came off injured and our goalie concussed herself. Well played girls we can score goals, all we need now is more of them.

Ladies Provisional 2 (Gold) vs Rockingham (Lost 1 - 4) 2013-06-15

Best: J. Hadley, R. Harries, N. McGowan

Wait, did we lose 4-1? It didn't feel like it. :) A good intense game against a quality opposition. Some great passing and ball movement under pressure, fullbacks passing across the D and the execution of some higher level hockey (even if you didn't realise it at the time) made this a great game to watch. It might not have felt comfortable ladies but it looked good! Excellent 5/5

An unfortunate game that demonstrated that a week off does affect the way we play. The heavy downpour at the end just complicated matters further. I'll keep reiterating it; we need a better turn out at training!

Mens O40 Division 1 vs NC Raiders (Lost 0 - 3)

Best: S. Willett, A. Scanlon, J. Cooke

Very disappointing result against one of the bottom sides - we never got it together and were never really in the race. Having said that, it wasn't for want of trying - just that we couldn't put it together. Not sure what the collective noun for a group of Walrus' is, but it was like that - as if we had 12 Crowley's out there :(

Mens O40 Division 2 vs NC Raiders (Won 8 - 0)

Best: C. James, D. Beckwith, A. Criddle/D. Doak

Goals: C. James (4), D. Beckwith (2), C. Simpson-Bint, A. Spear

A dominant end to the first round - cementing the team's 2nd spot on the ladder; and with an extraordinary 23 goal difference! All-in-all an outstanding result.

Mens O40 Division 4 vs Suburban Lions (Won 5 - 1)

Best: B. Kennington, S. Walker, M. Berkovic/C. Bontempo/I. Munns

Goals: B. Kennington (3), M. Berkovic

Great team effort. Outstanding goals and position on goals from our forwards made the difference in a well controlled first half. In were able then to match them in the second. Well done guys

Mens O50 Division 1 vs YMCC (Lost 0 - 4)

Best: W. Hudson, G. Ross, A. Chellew

It was a game played in 2 halves! The first one was good by our recent standards but the second was less than good and that allowed YM the chances they wanted. As we get our team back together and feeling healthier we expect to push the ladder leaders in the second half of the season.

Mens O50 Division 2 vs Wolves (Lost 2 - 4)

Best: B. Morrison, G. Widdicombe, M. Pitcher

Goals: A. Marshall

Three of us arrived at 1:59pm to make a grand total of seven players. By 2:05 we had 11 players, but we were one goal down. Pitch managed to miraculously miss a goal by hitting the right post halfway up, making the ball travel horizontally across the face of the goals to hit the left post halfway up and bounce out of the goals. Al managed to dribble a shot along the goal line from one side to the other without the ball crossing the line. Our luck may return next week.

Mens O50 Division 3 vs WASPS (Won 2 - 1)

Best: F. Williams, G. Bowater, T. Patton

Goals: G. Bowater, D. MacPhail

a very good result from a very untidy game. Need to get back to basics and make the ball do the work. The pressure is on Duncan to score his hat trick of goals.

Mens O60 Division vs WASPS (Lost 0 - 1)

Best: G. Riley, T. Parker, K. Woodward

Though lucky to still be in the game at half time, we dominated long periods of the second half, so can probably consider this as another one that got away. We certainly could have pinched it, if we'd managed to pull off of a couple of the many chances we created. However, also hard to deny that WASPS played well enough to deserve their win. On a positive note, it was great to welcome Pat back, and see some position change experiments work well.

JUNIORS

Boys 11/12A vs Victoria Park (Lost 1 - 2)

Best: Patrick Rundle, Ashley Ranford, Julian Bocking

Goals: F. Hay

Game against Vic Park was always going to be a fight. We fought hard for the first 20 minutes or so, but failed to score some well deserved short corners. The pressure got greater as the game went on and as opportunities were missed the pressure was too much in the end with Vic Park scoring twice on mainly break aways. Not all negatives to come out of the game, still many positives and will be looking forward to playing them in the finals.

Girls 11/12A vs AW Reds (Won 3 - 2)

Best: A Clark, I Nelson, S Matthews

Goals: L. Lefroy, I. Nelson, A. Watson

AW Reds gave us a fright with a goal in the first two minutes. Undeterred Melville fought back and some frenetic activity in the D saw us 2 – 1 up at half time. The Reds then showed us how to do a short corner and levelled the score. India reciprocated and scored from one of our seven shorts and in doing so increased the season's short conversion rate to 7.4%. The Red's fought back strongly and a draw looked inevitable but our defence aided by Aimee's skilful intervention kept them at bay until the siren. This week was characterised by good pressure, some good passing, a few big feet and the usual wasted short corners. If we can just nail those shorts then a top three spot is probably ours for the taking.

Girls 11/12A Res (Lost 1 - 2)

A great game from the girls against the top team. All played really well. A scoreboard loss but a psychological win for the team.

Boys 11/12B vs Rangers

Boys 9/10A

Best: A. Rayfield, J. Ross, J. Thorn

Frustration got the better of us. We dominated early but did not capitalise on our penalty corners = frustration. We pressured but could not get a field shot away = frustration. Then we carelessly turned the ball over and gave away a sloppy goal = frustration. That was the first half and that was our good half. In the second, our basic trapping skills were erratic and when poor it cost us. Our passing in the front half and midfield has to, has to improve. Hand in hand with this is our running off the ball. If our forwards cannot read the play, work out where space is and lead to that space then the best we can hope for is that our defence keeps on improving. And improvement for everyone starts on the training track along with an 'intent' to improve.

Girls 9/10A vs Hale (Won 2 - 1)

Best: TEAM EFFORT

Goals: H. Robson, B. Anderson

BIG DAY OUT. Early morning out on the track. We all starting to walk across the cold grounds of Hale. As always the coach must have slept there the night!! He was bright eyed and bushy tailed. Today we were to play Hale who were not going to be easy. Alice playing in as left half worked hard to shut our left side down. **WELL DONE!** Great effort. Along with Natt Mathews, playing the big roll as striker for the first time. **WELL DONE!!** Great effort. Into the 2nd half the score 1/1 we came back with a number of attempts at goals to finish the game with a win 2/1 a great goal at one tight angle between the post and the goalies pads from Bronwen Anderson **WELL DONE!!!** Great effort. **MOTTO.** Is trust your team mates on the field...

Boys 9/10A Res vs Westside Wolves (Lost 0 - 4)

Best: H. Lock, M. Dixon/C. Deaville, W. Reynolds/H. MacPherson

A disappointing game - not so much the scoreline, but the lack of awareness, support and communication within the team. "Team" is the important word.

You're all in the team together and must support and trust your team mates.

In this game there was too much standing and watching other Melville players in contests rather than running to support and calling to let them know of your presence. The defence was, as usual, worked tirelessly to arrest opposition attack, but inners and half backs need to assist more in defence and attack, and forwards need to use this assistance and pass the ball rather than try to run individually at strong opposition defences.

Hard fought game with an evenly matched side although they were a lot taller and wider than us! Just unable to convert to make the score line more even.

Boys played well as a team. Thanks to Nathaniel for filling in as goalie for us.

Well done boys you should be proud of your efforts.

Boys 7/8A vs AW Reds (Won 2 - 0)

Best: D. Forbes, H. Rogerson, J. Floyd

Goals: T. Dickson, D. Forbes

A terrific effort by the boys to grab our first win of the season. The simple hockey we played was very pleasing to see, and the desire to win the ball was just as encouraging. Still need to work on maintaining that level of play for the full game and not lapse like we did early in the 2nd half, but a great effort by everyone in a deserved win. Well done.

Girls 7/8A vs Aquinas Reds (Won 2 - 0)

Goals: M. Hagen (2)

This was definitely a game of two parts. For the first 45 minutes we struggled to play good hockey and were unable to dominate or take control, then a goal in the last 15 mins changed everything we suddenly started to put the pressure on and play some good hockey and were rewarded with a second goal. Great result.

Boys 7/8A Res vs UWA (Lost 0 - 2)

Best: Great Defensive Team Effort by Everyone!!

A fantastic game today from the Boys. They have come a long way with their defensive organisation and skills – which is great to see. As I said at the end of the game the Boys have now set a benchmark for themselves and there should be no reason for us to take any backwards steps. To hold Uni scoreless in the first half and down to 2 goals at the end was magnificent as Uni average 5 goals per game and 5 of their Team have played a combined 10 games in their A Team - so we can all take a great deal of satisfaction that we are improving each and every week. WELL DONE

Girls 7/8A Res vs Westside Wolves (Drew 1 - 1)

Best: K. Loffell, L. Martens, B. Miller

Goals: K. O'Sullivan

What a great effort the girls drew with the top team today. We were very strong in the D this week with a few shots on goal which was great to watch. Once again the team work was brilliant with some very good set plays which paid off. Keep it up girls as a win is on the way.

Boys 7/8B (Gold) vs Vic Park (Drew 1 - 1)

Best: A. Wright, O. Spear, M. Batten

Goals: O. Spear

A better game this week found us fairly evenly matched against the Vic Park boys. It all came together for us early in the second half resulting in a fantastic goal by Oli! Unfortunately we were robbed of our second goal by a questionable decision but...Josh that goal was incredible and in our minds it counted! You read the play so well and scored beautifully. All in all you boys are doing great so keep it up! An exciting game to watch.

Girls 7/8B (Gold) (Maroon) vs Melville Whites (Drew 0 - 0)

Boys 5/6A vs YMCC (Drew 3 - 3)

Goals: B. Dowie (2), F. Stephens

Another fantastic game that went right to the wire.

Girls 5/6A vs YMCC (Won 1 - 0)

Best: N. Flynn, C. Power, L. Cocks/G. Farrow

Goals: N. Flynn

Our defence absorbed enormous pressure from YMCC during the opening 15 minutes. Some tremendous ball movement opened up the game which resulted in Neasa scoring a fantastic goal. We went into the second half with a 1-0 lead after some great saves from our goalie Chloe Power. We managed to hold onto our lead in a hard fought second half. Well played everyone, we thoroughly deserved this win!

Girls 5/6A Reserve vs Rockingham (Lost 0 - 1)

The girls (and parents) had their longest road trip to "Lark Hill", Port Kennedy on Saturday morning. Once again the girls started slowly and R'Ham scored an early goal. As the girls adjusted to the faster pace of the turf their game improved.

Chances came and went in the second half (through short corners) with special mention to Ev for some great saves. Final score 1.0 to top team R'Ham. Another good effort and if we can take our scoring chances we will be right up there!

Boys 5/6B (Gold) vs Kalamunda (Lost 0 - 2)

Best: Ben McVeigh, Dan Page, Tom Williamson

An honourable loss. With only 10 players. Great work by everyone.

Boys 5/6B (White) vs Riverside Lions (Lost 1 - 2)

Goals: C. Flynn

It was a great game by the boys. Really showed their determination in the second half, very tough game and they nearly scored the second goal to make it a draw. Levi was incredible as usual fighting well in attack and defence. Good game boys see you next week.

Girls 5/6B (Gold) vs Lions (Drew 0 - 0) 2013-06-15

Best: S. Lawson, J. Riordan, M. Hollander

There was a big improvement this week in positional play. It was an exciting game to watch with scoring opportunities on both sides. Our goalie made some excellent saves and we had a few scoring chances. In the end the defense from both sides were pretty solid and we ended with a goalless draw. Well played!

Boys 5/6 Regional (Gold)

Goals: R. Marshall (2)

Another great game, this week against AW Reds. With a score of 2-0, the boys are playing well as a team and improving in their short corner play. Well done!

Boys 5/6 Regional (Sand) vs Southern River (Yellow) (Drew 1 - 1)

Best: B. Abrahams, L. Betham, T. Berkovic

Goals: B. Jones

Firstly a big thanks to the many fill ins we had over the weekend, you all really helped. Unfortunately as we were missing a few players we seemed less confident on the field with our calling and passing. Hopefully over the next week or two we can start seeing this come back with the sick players returning. Regardless, we played well and spent the majority of the game in our attacking half with one unfortunate goal being scored against us.

Girls 5/6 Regional (Gold) (Maroon) vs Melville White (Drew 0 - 0)

A very evenly matched, and hard fought game. Maroons had a number of opportunities but were unable to convert. Great to see the girls continue to improve with stronger passing and persistence when tackling. Great game girls!

Girls 5/6 Regional (Gold) (White) vs Melville Maroon (Drew 0 - 0) 6

Best: E. Odonnell

It was a great game for the club derby! Both sides played well and each had quite a few chances to score, but a nil all draw was the end result. Melville White continued to grow in strength with better hitting skills and a lot more running on the ball. Erinn O'Donnell was the stand out player with her consistent effort to chase the ball and follow up on her own hitting.
