## PREMIER LEAGUE

### **Mens Melville Toyota League vs Fremantle (Won 5 - 1)**

Another positive weekend for the greater Melville Squad:

1s defeated Fremantle 5 to 1

2s defeated Fremantle 2 to 1

3s defeated Reds 3 to 2

This is the first time ever that the 1s have beaten Fremantle twice in one season, although the game was never really over until the last five minutes or so. The 2s also played a very experienced and tough Fremantle unit and so their result is very pleasing also.

Of note in the 1s game was the appearance of Matt Swann after his involvement in the World Cup win and ensuing celebrations. He is also on the way to the Commonwealth Games in 3 weeks time so we were lucky to have this appearance. However, of note was how he played, he was conscious of coming in and not upsetting the balance of the team or overplay himself. He was given a job to do and it was done to the best of his ability, and he fitted into the team like a glove. Full commendation to Swanny, I didn't see this as being easy for him but such is his professionalism he did it with aplomb. I also had the experience of observing some very proud Melville fathers feel good about their sons in the team, quietly very happy about what their sons are achieving.....no less than 8 Melville playing fathers have sons in the team, and proud they are and so they should be. It takes the phrase "home grown" to a new level!!! It was a good result, but we still haven't played at our best for 70 minutes, we still have room for quite a deal of improvement, which was part of the mantra discussed in the changerooms as we ticked past the halfway mark of the season. We have set a few simple goals that if carried out will take us forward to new heights.

This Saturday at 530pm we play UWA, the top team at McGillivray, so need your support. It is a big one, and it is time for us to redeem ourselves against one of the top teams after going down to Wasps poorly a few weeks back. Can we handle this level? I believe we can, but it's walking the talk that needs to happen, action speaks louder than words.

Rusty Ford and Swanny will be playing in this game and the aim will be for objectives set for them so they add to what is developing in our team. It certainly makes for a spectacle. UWA are a very good side.

Ok, I mentioned the Dads, but I know it is really the Mums who keep the whole thing together and offer a different dimension to support of sons. Their success is also yours!!

### **Ladies Melville Toyota League vs Fremantle (Won 7 - 1)**

Best: M. Silvey/M. Eum/E. Stratton/C. Carter

Goals: E. Stratton (3), E. Bone (2), C. Carter, H. Grant

The goal fest continues. A blistering start to the game which saw two goals inside the first 17 minutes with Freo also scoring as well.

Should I also mention the missed penalty stroke or should I leave that alone Tilly..... Unfortunately another trip to hospital with Helen collecting a stick to the knee requiring stitches. We made it back to the game with five minutes to spare but by then we had scored another five goals in the second half and the game was done.

CONGRATULATIONS to Kirst on her 200th game for the club and I must mention Liz who scored a hat-trick today. Good luck also to Preah, Briony and Tilly at the upcoming U21 Nationals.

## PROVISIONAL LEAGUE

### **Mens Provisional 1 vs Westside Wolves (Won 2 - 1)**

Best: K. Jamieson, S. Gibson, J. Lawrence

Positive team dynamics, due to a bbq dinner post game being promised, saw an excellent win against good opposition. Conceding in the last few minutes of the game meant the result was much more nerve-wracking than it deserved. Honourable mentions to Stick for practising his drive and hitting 4 teammates in the process & Geersie for 3 minutes of some of the finest time wasting in the corner that the Maroon Zone has ever seen.

Bryan played out of his skins today, fantastic goal turning over their defence for the second goal after this Old Guildford could not stop the momentum that got the whole playing outstanding team hockey all round. Special thanks to Greg, Gerald and Dean for helping us out till we get some players back.

### **Mens O50 Division 3 vs Blades (Won on Forfeit)**

Disappointing that Blades did not field a team so we won by forfeit

## **Mens O60 Division vs Whitfords (Lost 3 - 5)**

Best: G. Riley, S. McEntee, R. Domingo/T. Parker

Goals: S. McEntee (2), R. Domingo

A close game against good opposition, who unfortunately for us, rediscovered some of their best form from past years. Good passing to advantage by both teams saw plenty of chances created, and some great goals scored. We had our share of those, and fought the game out, but didn't quite make it in the end. Best wishes to Kelvin for a quick recovery from your injury.

## JUNIORS

### **Boys 11/12B vs YMCC (Lost 0 - 1)**

Best: J. Paterson, J. Templeman

We fought hard and had control over 90% of the game Only to lose it with a min our lapse in the last half . The team fought hard and kept YMCC (top of the ladder) from scoring near the end of the game. We will put the next few weeks in at training and no games to come back stronger after the holidays.

### **Girls 11/12B vs ECU Rangers (Won 1 - 0)**

Goals: C. Dawes

It was freezing on a Friday night at the Melville turf and we had sick players, coughing and sniffing everywhere. With none on the bench the girls had to run with no break. With our star centre half hitting the bench at half time, we went down to 10 players. We still managed to win 1-0, only because we passed the ball like a team and just kept having shots on goal.

You ran your heart out girls and picking a top 3 will be difficult! 1 point for everyone!! Coach Costa.

### **Boys 9/10A**

Best: T. Dickson, H. Parkes, H. Lock

No point sugar coating it - we were humbled by a much better team. After a very encouraging first half we were overrun. Very disappointing - but it will be more disappointing if we fail to learn our lessons.

## **Girls 9/10A Promotion vs Uni (Lost 1 - 2)**

Goals: E. Shaw

A very narrow loss to Uni this week was certainly no disgrace. To the girls credit they stuck to our game plan and capitalised early to go 1 nil ahead. It was only some basic skill errors which allowed Uni to score twice as we definitely commanded most of the play. The girls continue to show improvement and this week's solid performance across all levels was pleasing.

We will now have break to freshen up and start after the holidays renewed. Thanks go to Brianna who played a great game once again, and to Cydney who played solidly in defence as well. And finally a big welcome to Jemma who has joined our team as is playing very well.

## **Boys 9/10A Reserve vs Lions (Won 4 - 1)**

Best: N. Deluca, T. Ziegelaar, C. Deaville

Goals: B. Brown, B. Delaney, C. Surtees, C. Deaville

Two in a row! Another solid all round effort, dominating the second half after a very even first half. For the first time this season we capitalised on our opportunities putting four goals in the back of the net. The extra work the boys have been doing on a Monday night is starting to reflect in our play. The boys have really bonded and are much more fluent in their teamwork.

## **Boys 9/10A Reserve vs University (Won 2 - 1) 2014-06-29**

Best: B. Delaney, Z. McKinnon

Goals: R. Lawrence, T. Ziegelaar

After consecutive wins the boys were keen to measure their improvement against one of the top sides. A rematch against Uni who defeated us 5 nil round one was just the test we were looking for. The first half was very even with both sides not taking advantage of their opportunities. However, this changed early in the second half we Uni scored a freak goal. This seemed to make the boys even more determined, and we continued to press forward on many occasions. The equalising goal came from a penalty corner and the winner a little later from general play.

This was by far the teams best performance for the season.

### **Boys 9/10B White vs Peel Rebels (Lost 0 - 5) 2014-06-22**

Best: M. Widger, M. Batten, M. Hayward

Tough game against the top side but the boys played well showing significant improvement since the last time we played them. The score line didn't reflect how close fought the game was. Great job boys!! The boys need to take away the good things we did during the game and build on that.

### **Boys 9/10B White vs Kwinana (Lost 4 - 1) 2014-06-29**

Best: B. Belke, M. Widger, R. Stewart

Goals: M. Widger

Good test this week against Kwinana. They scored a couple of easy goals in the first half so the score line didn't reflect how even the teams matched up. Excellent second half!!! As a team you have improved significantly since the start of the season. Keep up you skills over the break and keep practicing

### **Girls 9/10C vs Hale (Blue) (Lost 0 - 2)**

Best: B. Martin, I. Vieira

A fantastic effort from the girls today, holding off a relentless Hale attack. The score was nil all at half time, despite the game being played 80% of the time in our 25. The girls were courageous in their defence and used their opportunities well down the wings when they could. They frustrated the Hale attack, only conceding two goals on this encounter. Well done girls!!!

### **Boys 7/8A vs UWA (Drew 0 - 0)**

Best: D. Paino, D. Forbes, P. Lorraine

What a fantastic game to watch today. Again a brilliant defensive TEAM effort!!

With some AWESOME work by Zac in Goals today.

### **Girls 7/8A vs UWA (Lost 0 - 1)**

Best: A. Bell, J. Vanderzwan, N. Flynn

There was so much to admire in this game. We barely gave them a shot on goal with a scrambled PC the difference between the two teams. We again dominated possession, field position and penalty corners. Abi's play at right half gave us a strong avenue of attack along with Neasa at right wing. Our mids worked hard going forward and were switched on to pressure the opposition when we turned the ball over. Crystal and Eilidh picked off a number of their forays forward with terrific tackles and Sarah kept their dangerous right winger quiet. Our winning ways, though, will have to wait a few weeks. Enjoy the break, enjoy Regionals for those participating and we will be back together to attack the back end of the season after the holidays.

### **Girls 7/8A Promotion vs UWA (Drew 2 - 2)**

Goals: A. Baskerville, L. Mellor

Coach Dave took over for India this week. Tight first half nil all. Second half UWA scored early to lead 2 nil. Girls fought back to draw the game. Great job Dave and team.

### **Boys 7/8A Reserve vs UWA (Lost 1 - 6)**

The first 20 minutes and the last 20 minutes was probably some of the best hockey that the boys have played all season. Unfortunately the 20 minute lapse in the middle let the team down with all the goals being scored during this period of time. Keep your heads held high boys and lets work on consistency for the whole game.

### **Girls 7/8A Reserve vs Rockingham (Lost 0 - 10)**

The girls played well in the first half and were only 2 down. But in the second half we let Rockingham come at us and didn't get the tackles in. Well done Mia in goals! Back to training after the holidays girls to get ready for the second half of the season.

### **Boys 7/8B Black vs Lions (Lost 0 - 1)**

Best: P. McQuaid, C. Addison, O. Sanchez

This was a very close match where our forwards dominated early, but never got the clean shot on goal they needed. A few of our players were in unfamiliar positions and some of those worked well which gives the team a lot of options for the rest of the season. Patrick did well for his first time in goals and our half backline in the second half was very strong. Sadly, we are still struggling to field a full team in our own right, so we once again had helpers from the 5/6B team. It is great to see them there helping us but the constant turn-around of unfamiliar players does make it hard for our team work and tactics to improve.

### **Boys 7/8B White vs UWA Green (Won 4 - 2)**

Best: C. Soraine/J. Lawrence, R. Needham, O. McHoull

Goals: R. Needham (3), O. McHoull

A blistering first half against quality opposition who were fighting for our spot in the top two, set up an admirable win for the team. The highlights being pressure, passing and leading to good positions as well as a sense of urgency in our play. While the other side had a red hot crack in the second half, the effort was maintained until the final whistle. The boys continue to improve week by week and this game was a good example of what we can do by being 100% committed all game, well done team.

### **Girls 7/8B White vs Westside Wolves (Red) (Lost 0 - 2)**

Best: M. Frossos, L. McGready, A. Lee

A great game where all team members worked hard demonstrating great positional play defending strongly against a tough attacking team.

### **Boys 5/6A vs UWA (Lost 0 - 9) 2**

The result says it all :( The second half was much more encouraging, but we will be back at training on Monday working on our passing. Heads up boys!

### **Girls 5/6A vs UWA (Drew 1 - 1)**

Goals: L. Cocks

After dominating the game for 49 minutes our team were disappointed to come away with a draw in the last minute of the game. Lucy Cocks put us in front early in the game by TRAPPING a fantastic cross and slotting in a lovely goal. Many other opportunities came and went over the rest of the the game. The game itself was a skillful display of hockey with hard fought contests all over the ground. Coco (our wonderful Goalie) was made to make a few saves and did this exceptionally well by clearing the ball out of the circle. Ella Redman and Erin Miller read the play really well in defence and made every attacking move by UWA a fruitless one. All our player tried valiantly and should be proud of their efforts. We just need to make the most of our goalscoring opportunities and we really will be a force to be reckoned with. Keep hammering those goals girls and the scores will be in our favour!

### **Girls 5/6A Reserve vs UWA (Drew 0 - 0)**

Best: L. Christie, T. Growdon, E. McCormack/G. McCormack

Another nail biting match which left the spectators exhausted! The girls held possession for most of the game but just weren't able to score that elusive goal, not from lack of trying mind you. A credit to the UWA girls for holding us out. There were streaks of individual brilliance, matched with great team play. The attack was relentless! Great effort girls!

### **Boys 5/6B Gold vs Fremantle (White) (Won 4 - 2)**

Best: Team Effort

Goals: B. Parker (2), A. Metcalf, R. Barraclough

A tough game against a much improved opposition from when we last met. Great effort by all the boys today keeping continual pressure on goal. A brilliant game from Riley Barraclough who ran hard all game and was rewarded with one goal. Two goals also to Ben Parker and one to Andrew Metcalf resulted in a hard fought 4-2 win.

### **Girls 5/6B Gold vs UWA (Won 1 - 0)**

Best: team effort

Goals: J. Dixon

Good game girls. Lesson learnt - even if the coach has a cold and is losing her voice, she is still the one that calls the shots and if Dee says so, please do it. That's how you win goals. Great effort in defense and the wings did well holding their positions.

### **Boys 5/6C Gold vs Kwinana Tigers (Won 2 - 0)**

Goals: B. Abrahams, N. Massie-Taylor

Melville White 5/6 boys continue their weekly improvement with a 2-0 win over top of the table Kwinana Tigers. Defensive pressure and a hungry attack kept the ball in Melville's forward half for the majority of the game and resulted in goals by Nic Massey-Taylor and Brodie Abrahams. Best players Andrew Goddard and Joe Bunn contributed greatly to the win.

### **Girls 5/6C Gold (Maroon) vs Melville White (Lost 0 - 2)**

Best: J. Stewart, T. Mishra, C. Cromb

Good effort girls, you listened to everything your coaches said at half time and your performance in the second half was much improved. Keep listening and working hard on your basic skills.

### **Girls 5/6C Gold (White) vs Melville Maroon (Won 2 - 0)**

Best: J. Leigh, E. Polglase, C. Brown

Goals: M. Brown, J. Leigh

A great spirited game by the girls again this week. Well done
