PREMIER LEAGUE

Ladies Premier 2 vs UWA 2 (Lost 0 - 1)

This weekend we came up against the reigning premiers UWA. We knew it was going to be a very physical and tough game at the super turf. Due to injuries and the ones playing Tuesday night it gave the opportunity for girls to step up and come back into the squad. To the girl's credit, their effort was outstanding and when we lost a player due to injury, they all dug deep and continued to do their role. Unfortunately we went down 0-1, but there were a lot of positives to take out of the game, especially our ball movement and basics which we have been working on for a while. When we moved the ball with pace and out of congestion, we created some very good attacking plays. Girls the goals will come, as will the results. Keep up the good work.

Mens Provisional 2 Gold vs Curtin Trinity Pirates (Won 13 - 0)

Best: M. Read, R. Williams, A. Halliday

Goals: M. Read (4), R. Williams (2), R. Weddikkara (2), J. Pickering, B. Joss, G. Watton, N. Elliott, K. Armitage

Good to get back in the winners circle with a solid result. We went into half time 5-0, at which stage Kenny let us know in no uncertain terms that the second half would be a failure if we didn't get to 8-0. With the balance of the team not big on paying attention, we managed to sneak in another 8 in the second half. Highlights were Rowds getting knocked over by a 16 year old goal keeper, and then pushing over a 14 year old in a delayed retaliation. The Grizzled Slug scoring a couple early, with the crowd sensing they were about to witness something special, but sadly the slug retreated in cold, and was rarely seen for the rest of the game (only had 8 more chances) and Bear's 'goal' from just inside the 25.

Ladies Provisional 2 Black vs Mods (Won 4 - 0)

Best: M. Woodforde, N. Klem/M. Regan

Goals: J. Powell (3), R. Harrup

It was Jarvis' last game for a while because she is off getting married, so we thought we would send her off with a bang by winning against the 2nd team on the ladder, and that is exactly what we did. And what a better way of saying "we will miss you" by hitting her on the head twice, luckily there didn't seem to be any big lumps, so the wedding pictures are sure to be fantastic.

The game itself was really good. We dominated and worked really well in the first 10 minutes, working well as a team, which has been missing in the last few weeks. Slacked a bit after that, but still maintained great team work.

Have a great weekend off everyone, but come back sharp and ready to maintain all that we have been working on.

Mens Provisional 4 Gold

Best: M. Willis/D. Kidd, A. Bocking

Goals: T. McEntee, M. Willis, M. Western

First win (and a good win) in a long time guys. We took what we learnt from last week and applied it to this weekend. Dan, Thanks heaps for your help coaching on the sidelines, was a big help!

The Hulk award goes to Darren and (believe it or not) Pauly for their demonstrated aggression on field!

Special "TW*T" award goes to Tim this week for doing what he's always screaming about and not trapping directly in front of goals and missing like a complete fool!

A good game guys, let's hope we can continue with that after the bye.

Ladies Metro 1 vs Wolves (Lost 1 - 7)

Best: S. Wilson, V. Carmody/K. Green

A tough game, top of the table clash against Wolves, made even tougher by the fact they apparently played an ex hockeyroo, 3 WAIS players and ones squad juniors. We were one of the few team to score against them with a great goal by Marloes.

Goals: S. Pszczola (2), C. Bontempo (2), B. Kennington, A. Steel
Good all round team performance against the bottom side. The real test will be when we play Fremantle at home. Thanks to Andrew, CJ and the other 40's players. Bye this week but hoping to get some players back from injury in the near future

Mens O50 Division 1 vs WASPS (Drew 2 - 2)

Best: D. Loffell/M. Watson, L. Bint, P. Dawkins

Goals: P. Dawkins, K. Dempster

A good solid game where we more than matched WASPS for the duration of the game and withstood a determined last 5 minutes from Wasps. Wayne was solid, repeatedly stopping WASPS shots on goal. The backs were again solid denying Wasps and setting up our forwards. The forwards combined well and provided more opportunities at goal this week. Our disallowed goal following an early whistle on a WASP infringement and the end result may have been different.

Mens O50 Division 2 Gold vs Wolves (Drew 2 - 2)

Best: C. Slattery, T. Brooks, M. Pitcher

Goals: S. Silvey, S. Llanwarne

Not our best game against the cellar dwellers. Steve Silvey put in a great flick and Stephen stole a goal from Leo.

Mens O60 Division vs Whitfords (Won 2 - 1)

Best: L. Welten, R. Domingo, J. Smith

Goals: R. Domingo (2)

We carried on our good form of last week to win our first game of the season. It was a hard fought game and the opposition has a handful of state masters representatives but they struggled to realise their mid field advantage. We kept the ball out wide as much as possible and Ray was able to sink a couple of goals for us to snatch a well earned victory. We need to have a good break and start again on the same basis. It was good to have Terry back after missing many matches due to injury.

JUNIORS

Boys 11/12A vs WASPs (Lost 0 - 1)

Best: C. Thompson, J. Rutigliano, H. Lock

It felt like we weren't ready for the game tonight. Our endeavour was lacking and it appeared we were going through the motions. If we want to play finals we need to start playing a more aggressive and consistent style of hockey which is most certainly obtainable.

Boys 11/12A Reserve vs Victoria Park (Won 3 - 2)

Best: W. Reynolds, N. Page, B. Brown

Goals: N. Page (2), J. Parker

In this weeks fixture, the Melville boys took on Vic Park, a physical and strong opposition. With outletting structure being one of our main focuses for this weeks match, the boys created a few goal scoring opportunities following quality ball movement and outletting. This led to Jackson putting in a goal on the back post after some quality play through the midfield. Minutes later, Nick had his first goal of the night, after some scrappy play in the circle, the ball ended up through the goalies legs and into the net! 2-0 up and all was looking good. Vic Park then got on top and had multiple attacking penalty corners. Despite some strong defensive efforts, they put one goal in, and followed it with another to make it 2-2. Nick then made it two goals for himself following a nice 'between the leg pass' by Bailey. 3-2 up with 20 minutes to go. Despite some fiery behaviour from both teams, the Melville boys held out to take the win 3-2. A well deserved win against a physical and skilled opposition.

Girls 11/12A Promotion vs WASPS (Won 4 - 0)

Goals: S. Jackson, T. Power, C. Dawes, M. Foss

WATWH - What a team we have! A full complement of players who all contributed to another well deserved win. Our young ladies (in my opinion) are quickly establishing themselves as the benchmark for the competition. An awesome team effort to defeat the top side by 4 goals to NIL. Our defense & goalie stood up and created a wall that the WASPS could not successfully penetrate. Our forwards dominated and controlled much of the game with improving reward for effort. The WASPs held us for the first half but your relentless drive, run and attack took its toll and as mentioned last week - you just wear the opposition down. Great game young ladies.

Boys 11/12B vs ECU Rangers (Won 5 - 1)

Goals: L. Sinnott (2), M. Widger (2), R. Breuer

What a terrific game of Hockey to watch. We started off slow and behind the 8 ball. After a great pep talk at half time, we came alive scoring 5 goals in the second half to win the game. Special thanks to our double ups this week Lochlann Downey & Ryan and Joshua Lawrence.

Girls 11/12B

Goals: A. Graham

This week the girls dominated the game above and beyond with no breaks, showing no weakness, which payed off with their first win of the season scoring the only goal in the last minutes of the game. Top job to Alice who scored the goal, and awesome effort to Melanie who made multiple saves in the goal.

Boys 9/10A vs YMCC (Won 3 - 2)

Best: H. Rogerson, C. Surtees, D. Whibley

Goals: D. Whibley (2)

A super effort by all involved today amidst a small crisis with the team hit by injuries, sickness and guys away. We had 4 players out with a further 2 carrying injuries, a last-minute withdrawal from a fill in due to illness and one of our other fill ins also with the flu! So it would mean that getting the 3 points today would be a massive achievement and credit must go to the group for the effort they put in. Very good in patches and pretty ordinary in others, but to walk away with all 3 points is a job well done. Now we can regroup, have a week off and continue the great start to the season we've had.

Girls 9/10A vs North Coast Raiders (Won 5 - 1)

Best: M. Hagen, A. Power, J. Snyman

Goals: A. Drane (2), A. Bell, K. O'Sullivan, J. Vanderzwan

Finally converting more of those opportunities in the D. People in the Danger Zone converting and getting goals we've been missing out on the last few weeks. For all the parents out there, Kenny Loggins would be proud. For the girls, top trend in 9/10A girls.....#banter

Boys 9/10A Reserve vs YMCC (Won 3 - 1)

Best: L. Metcalf, J. Lawrence, B. Delaney

Goals: B. Delaney, H. Parkes, Z. Watton

On a day where most of the boys looked like they were still asleep during the warm up it was no surprise that we started a little slowly which allowed them to have some early chances, but thankfully some good defending kept them at bay. Once the boys woke up it was a different story and for the remainder of the half we controlled the game, kept it simple, used the ball well and created opportunities. This was clearly the best hockey the boys have played to date and it was great to see them moving the ball around with some confidence, playing as a team and being rewarded on the score board taking a 2-0 lead into the break.

The second half didn't quite get to the same highs achieved in the first as we started to look long rather than use the short simple balls which had worked so well for us. It was a good lesson how much more difficult it is to control the game when we stray from our game plan.

Overall it is great to see the continued improvement and cohesion the boys are starting to have with one another. Continue to work on the basics, do them with quality and most importantly have a plan!

Girls 9/10A Reserve

Best: L. Mellor, E. Rolls, I. Piggford

Goals: A. Ross

It was a great team effort today against the Raiders, making it difficult to select just three outstanding players. Everyone contributed to the outcome of this hard fought match, with some strong, consistent defense and magic in attack. There were a few near misses, but it was lovely to watch the girls gain confidence in their attempts.

We were lucky to come away with the 1-0 win in the last 10 minutes of the game, when energy levels waned and the Raiders started to pick up the pace. The girls managed to keep them at bay long enough however, so it was smiles all round at full time.

Fantastic effort girls, well done!

Boys 9/10B (Black) vs YMCC (Won 3 - 0)

Best: M. Gillard, L. Farrow, G. Hyde

Goals: L. Farrow, M. Gillard, S. McKinnon

After a big loss last week, the boys bounced back this week with a totally dominate performance over a brave opposition. Unfortunately we weren't able to get on the scoreboard in the first half to reflect the field play, however we know why that happened and will keep working on it at training. It was pleasing to see 100% effort from every player in the second half and we look forward to coming back after the long weekend for our next challenge.

Girls 9/10B (Gold)

Best: H. Jones, I. Moncrieff, A. Belke

Goals: A. Belke

Today presented a new challenge with a shuffle around and some new players joining the team today. Thank you to Chloe, Olivia and Georgina who filled in for us from the 7/8 Girls. We really appreciated you fantastic contribution to the game today. It was another tough game against a disciplined Wolves team. Despite that our team is putting together some terrific passages of play. The second half was much closers than the scoreline reflects. Girls, yet again I am very proud of how to kept going to the very end and rewarded with a great breakaway goal.

Boys 7/8A vs YMCC (Lost 0 - 7)

Best: C. Brown, D. Moulin, C. Soraine

YMCC started strong with a goal within the first five minutes. The Melville boys tried hard but did not have what was needed to "hold down" the YMCC team.

Solid effort from Callum Brown , Daniel Moulin, Chris Soraine today with Dan Page, Brad Dowie, Declan Parkes also making a great contribution. At least the weather was on our side this week. Better luck for the next game boys.

Girls 7/8A vs YMCC (Won 2 - 1)

Best: Fantastic Team Effort!

Goals: N. Flynn, S. Hasselerharm

In glorious weather, this week, YM and the Melville girls showcased a wonderful game of hockey with both sides having periods of dominance. To come back from a goal down and nail the winner with 90 seconds to go was a credit to everyone. Again, yes again, Neasa terrorised their defenders with her skill and speed. Sarah at CH is starting to get the hang of this position and is bringing others into the game while Lucy and Needy had their best attacking games. Our defence was very solid and better disciplined this week with no loose marking and everyone who played RH provided great service to our forwards. Well done girls – a lovely birthday present for Gemma who turned 23 during the week.

Girls 7/8A Reserve

Best: M. Spires, T. Growdon, E. Arthur

This week we were facing an undefeated opposition. It was also going to be difficult with only one substitution. It was very important that we stuck to our game plan and to the girls credit, they achieved just that. In the end a very hard fought draw with some fantastic work being done by our midfield and backs. The improvement continues and we are seeing reward for effort.

A very pleasing result.

Boys 7/8B (Black) vs Hale (Won 2 - 0) 2015-06-02

Goals: B. Lawrence, A. Lukan

A fantastic effort under extremely difficult circumstances. Skill levels were down due to the constant rain and bitter cold, but the boys showed guts and determination to push on.

Boys 7/8B (Black) vs UWA (Won 5 - 2) 2015-05-23

Goals: J. Hart (2), A. Lukan (2), K. Holyoake

Our first game on turf for the season and the boys quickly realised it is very different to playing on the grass. In a scrappy games the boys were challenged for the first time, but with greater teamwork and determination managed to surge late in the game. The final score was not a true indication of how close the game was.

Girls 5/6A

Best: Tara & Zoie

Well girls, you knew it was going to be a tough game and it lived up to that forecast! However, despite the scoreline you fought hard and the scoreline only reflects momentary lapses in concentration. You should all be proud of the efforts you put in today. Particular note to Zoie in goals who saved our bacon on more than one occasion!

Boys 5/6A Promotion vs Mods (Won 4 - 0)

Goals: H. Bilclough (3), D. Bradshaw

Proof that sunshine and blue skies make for a better game ... our 5/6 A-promotional boys showed that they wanted to be there this week and being switched on from the start of the game quickly raced to a 3-0 lead. The final goal came in the second half capping off a well earned hat-trick by Harry Bilclough and a 4-0 win to Melville over Mods. Carrying out a clear message from coach Phil on holding positions & working back into defence ensured that Melville's team play controlled the game.

Boys 5/6B Black vs WASPS Gold (Lost 0 - 1)

The 5/6B Boys lost 0:1 to WASPS when the scored in the second half. The Melville Boys continue to show determination and tenacity through the whole game making the opposition work hard. Week to week improvements continue as the team mature and bond.

Girls 5/6B Gold vs Westside Wolves (Won 7 - 1)

Goals: N. Chisholm (4), M. Alder, S. Billingham, D. Farrow

What a great game! We welcomed Ruby Klass from the C's. She fitted right in and was keen to play goalie, sharing the job with Charlie. Although we had no subs this week, our girls dominated, with Tash playing the star. She scored three goals, with another goal shared with Finn! Darcie had the opposition defence running for cover with her hits into the D. Darcie, Sophie and Samantha were our other goal scorers. What a fantastic team effort girls, well done!

Boys 5/6C Gold vs Kwinana (Lost 0 - 4)

Best: Team Effort

It was a tough ask to play against the top team in the comp when a few of our players were suffering from colds. Well done for taking the field anyway. With some key players not at their best a few of the team had to step up into unfamiliar rolls like Kaelan who held the crucial centre half position rather than the more familiar wing. Well played everyone.
