PREMIER LEAGUE

Ladies Premier 2 vs YMCC 2 (Won 2 - 1)

Goals: M. Dejager, T. Power

Firstly a big thank you to David Ogden and David Orr for taking the girls before the game and the first half until I was able to get there! Unfortunately Head Coach Sean "Whisp" Ranford couldn't be present because he was performing the Seany Ranford show to a sell out crowd at Hale turf.

We welcomed in Roos (pronounced Rose, I learnt the awkward way) and Maike into the team to give us that extra boost we needed to take our game to the next level. We also welcomed in Jess Gallimore from the 3s after consistent performances in both games and trainings.

The game was off to a rough start going down 1-0, but we also had our chances in front of goal, only to be denied by some desperate defending on the goal line. The umpiring was not helping either team, but we knew going into the break and the second half that it was going to be a huge improvement and change of game style to get onto the scoreboard.

We did just that, putting immense pressure on the defense, locking the ball in our attacking half for 90% of the second half. We shifted the ball really well using our midfield, and transferring from one side to the other. Lucy and Molly held the ball and ran the ball well into the D and looked to create opportunities. Aleesha and Taleisha also provided some spark and run, allowing us to go at their defenders consistently.

After working on short corners at training, the girls used one of our variations to level the game. Then we slotted home a second with Maike taking the runner on and banging it in the corner.

This second half, 35 minute performance is what Sean and myself are looking for each and every game, backing each player on the pitch to do their job.

This was a complete team performance and we are looking forward in taking this momentum forward. Just because we played well and finally achieved the 3 points we were looking for, doesn't mean this will become an easy trend.

Working hard to maintain form is key!

Goals: B. Kennington, S. Pszczola

Late with the the report but good news great contributions form all over the field which resulted in a win. Tough game in which Guildford also had their chances but we seem to have a slight edge in the forward line to seal the win. Well Done guys!

Mens O50 Division 1 vs Modernians (Lost 3 - 7)

Best: , Wison, Darren,

Goals: G. Ranford

We were very competitive, leading Mod's early in the second half before they stepped up a gear, which we could not match as we tired. Thanks to Wildy for his two goals and providing added drive to the forward thrusts and to Dave Ross for his solid contribution.

Mens O50 Division 2 Gold vs Curtin Pirates (Drew 2 - 2)

Best: K. Harper, S. Llanwarne, E. Nell

Goals: S. Llanwarne, P. Meacock

Quite a mixture of sports took place on the field this week. Andy Spear and Gurmatt broke out into a tango, until the umpire intervened. Roger and Zorba had a go at a fencing duel with their hockey sticks and Leo did a Harry Potter impersonation, by riding Keelsie's hockey stick around the ground in pursuit of the golden snitch. Stephen received the ball at the top of the circle, became possessed by a hockey player and slotted the goal of his life. Whip scored a goal off a short corner and the game ended in a draw.

Mens O50 Division 3 vs Hale (Won 1 - 0)

Best: J. Delaney, J. Christie, T. Patton

Goals: L. Welten

Great game against a top of the table Hale. Hale started strong putting pressure on the defence. Leo scored the goal that made the difference and with some great goalkeeping by John and solid work in the back line we never really looked troubled.

Mens O60 Division vs WASPS (Lost 0 - 2)

Best: J. Smith, P. Oudejans, G. Riley/K. Woodward

A hard fought game against another of the "cellar dwellers". We tried hard and had a couple of very near misses, one from Leo up high that was brilliantly stopped by the goal keeper. Both of their goals came from the result of short corners including one penalty stroke. Peter played very well at left hand and always had 2 players to contend with. Back against top 4 teams again in upcoming games so need to be improve to be competitive.

JUNIORS

Boys 11/12A

Best: M. Tate, A. Rayfield, C. Thompson

Goals: H. Edwards, A. Rayfield, J. Rutigliano, C. Thompson, M. Tate

We welcomed 2 new players promoted from A Res - Nick Page & Sean Hird - and the team settled in well. The play was a lot more dominant this week which showed with a 5-1 win. We still miss some opportunities but we are improving each week. The last 5 mins saw one of our backs have a run at RW and score an opportunistic goal by being in the right position for a tap in. Needless to say Conor was very happy, just not sure about Alex!

Boys 11/12A Reserve vs AW Reds (Lost 2 - 4)

Best: E. Swan, C. Deaville, W. Reynolds

Goals: E. Swan, C. Deaville

With the long weekend, followed by a bye, the 11/12 A Res boys had been waiting for a match for a while!! With the combining of the A Res team and B team, the boys set out with a new look team, and combinations to get used to. It didn't take them long, and they found themselves up 2-0 over a strong Reds team. Unfortunately some ill-disciplined play let Reds back into it, as they scored 2 late in the first half. Early on in the second half Reds maintained possession a bit better than our boys, and created a few attacking chances. Andrew in goals made some good saves to keep it at 2-2. However, we couldn't continue to hold Reds out, and they put in two quick goals. Melville maintained there effort, and late in the match had a couple of opportunities to pull one back, but the opposition goalkeeper made some good decisions and saves, keeping it at 2-4 to Reds. Although the result wasn't what we wanted, it was great to see a new look team play together as a cohesive group!

Girls 11/12A Promotion vs Hale (Won 9 - 0)

Goals: S. Jackson (2), T. Widger (2), M. Foss (2), T. Power, V. Wade, C. Dawes

What A Team We Have (WATWH) - Meville (9 goals) vs Hale (0)

After a 2 week break our team was craving for hockey. Our hunger was so strong that poor Hale only managed to acquire a few scraps of the game.

As is the norm we completely dominated - this time I suggest we controlled the ball about 80% of the time. Our center line made it near on impossible for Hale to get into their 25m. Our backs were absolutely bored so when the ball arrived on that rare occasion they owned the ball and quickly ejected it to our centers. Our opportunities were many (including several posters) but our strikers did convert and the entire team went home with the cookies.

Girls 11/12B vs Hale (Lost 0 - 1)

Took a while to warm up in the first half but got there in the second half, defended against a very determined Hale team, if the girls had fight they had in the last 5 minutes earlier in the game it could of been a different out come, Brodie was on top of his game today and kept the ball out of goal. well done to Brodie and the girls.

Boys 9/10A vs UWA (Lost 2 - 5)

Best: W. Stewart, H. Rogerson, D. Paino

Goals: R. Bright, K. Potter

Disappointing first half cost us the game where UWA worked harder than us, wanted the ball more than us and punished us for our soft turnovers in the midfield.

Girls 9/10A vs Lions (Lost 0 - 4)

Best: K. Loffell, J. Snyman, C. Hobbs

Looked like the first training session of the year. Very average performance from a group of talented players. I won't have surgery mid-season again!

Boys 9/10A Reserve vs UWA (Lost 0 - 4)

Best: L. Metcalf, J. Lawrence, O. Sanchez

Another nice early start for a Sunday morning and it was good to see the boys eager to get into it. After a very even tussle early on the UWA team started to edge their way on top through some good ball movement. That was not to say we did not have our chances early on and we did create some attacking opportunities through a few short corners. Unfortunately UWA created their own and converted theirs. This was pretty much the story of the game and our opposition were far more consistent with retaining the ball and finding team mates in a better position allowing them time to do the next thing. Our ball care and retention needs to improve in order for us to put pressure on our opposition.

Despite the scoreline our back 5 played extremely well and really tried to execute some of the things that they have worked at on the training track. Keep it up boys, have confidence in your ability to execute the passes you are trying to make and to make the right decisions at the right times.

Some really positive signs.

Girls 9/10A Reserve vs Lions (Lost 0 - 2)

Best: C. Power, L. Mellor, I. Piggford

Well, it took the girls about 35 minutes to get warmed up today!! Must have been some half time speech, because when they came back for the second half, it was a completely different game. The girls were lucky to keep the Lions scoreless in the first half and unlucky that they then scored 2 in the second half. But, our attack came alive and the whole energy of the Team lifted. A bit more hunger for the ball could have created more opportunities, but the girls definitely ended with some better attack.

Boys 9/10B (Black) vs UWA (Drew 3 - 3)

Best: J. Walkemeyer, G. Hyde, M. Harrup/K. Vester

Goals: L. Farrow (2), M. Gillard

This week we faced the first of three tough consecutive games against competitors for a place in the finals. The game was a seesawing battle with both teams throwing their all at the contests. Our boys did the club proud, twice battling back from a deficit to even the score-line and then worked hard to hold out a late surge from their opponents. This team is growing with every training session and game, we are facing the top of the table team next week and are feeling very confident about taking them at on their home deck.

Girls 9/10B (Gold)

Best: E. Robinson, I. Vieira, A. Belke

Goals: A. Belke

What an exciting game of hockey. We had multiple scoring opportunities and were in the game all the way and if the shot that hit the post had gone in it would have been an entirely different game. We played well and there were some great passages of play as the game went from end to end. In the end we paid for a few turnovers, which we will work on, but on the whole a great game. Well done girls.

Girls 9/10B (Gold)

Best: E. Robinson, I. Vieira, A. Belke

Goals: A. Belke

What an exciting game of hockey. We had multiple scoring opportunities and were in the game all the way and if the shot that hit the post had gone in it would have been an entirely different game. We played well and there were some great passages of play as the game went from end to end. In the end we paid for a few turnovers, which we will work on, but on the whole a great game. Well done girls.

Boys 7/8A vs UWA (Lost 0 - 7)

Best: B. Dowie, D. Parkes, J. John

Strong playing by Bradley Dowie, Declan Parkes and Jacob John was not enough to secure a win over UWA. The UWA boys played a strong and skillful game. As Matt would say I am sure the boys are "better for the run" and identified some critical areas of the game to give some special attention to at training. Better luck next week boys.

Girls 7/8A vs Lions (Lost 0 - 4)

Best: S. Hasselerharm, N. Flynn, I. Filmer

Both teams held periods of ascendancy in the first half with the Lions taking their half chance. In the second they had a purple patch of 5 minutes where they could do no wrong and took the game away from us. Overall, though, we held our own, had our chances but didn't take them. Sarah is becoming a dominant player in the midfield and Neasa, as usual, a real terrier in attack. A quality game by both teams – well done all.

Girls 7/8A Reserve

Best: S. Pillay, Z. Polglase, C. Bentley

Goals: S. Pillay

Control of this weeks game was definitely in our hands. We dominated midfield and forced a lot of turnovers, it was what happened next is what we will work on. The goals scored against us were against the run of play and some old habits were evident there.

Our training this week was some of the best work the girls have done, we just need to bring that along each Saturday. I am only disappointed because I know the girls are better than that result.

Girls 7/8B (Gold) vs Westside Wolves (White) (Drew 2 - 2)

Best: C. Batten, N. Champion, S. King

Goals: R. Quartermaine, M. Raja

What a cracking game this week girls! The team came out firing and Ruby Quartermaine scored an early goal. Mary Raja scored again in the first half and we had a 2-0 lead at half time. The second half the wolves came back fighting and scored early. Some exceptional play by our goal keeper Cassidy Batten had the spectators on the edge of their seats it was a fantastic display! We had our chances too in the second half but the Wolves managed to score to level the game. A much improved effort by the whole team this week. A great effort girls.

Boys 7/8C vs Joondalup Lakers (Drew 1 - 1)

Best: Great Team Effort

Goals: B. Abrahams

A titanic struggle of two evenly matched teams, each with a first half goal and several opportunities to capture an elusive 2nd to claim victory. The Melville boys came out strong and maintained good pressure throughout and probably deserved to score another goal in the dying minutes of the game. In the end, the boys can be pleased with their efforts this week and look forward to the next game.

Girls 5/6A vs WASPS (Won 4 - 0)

Best: The Whole Team!

Goals: E. Polglase (2), D. Farrow, G. Morpew

What an improvement from last week team! Much better passing, free hits were more constructive and great finishing in the D. Notable mentions to Caitlyn who controlled the centre in the second half and Ellie for her fantastic short corner goal. Definite team effort today - well done everyone.

Boys 5/6A Promotion vs Rockingham (Won 8 - 0)

Goals: J. Dowie (3), H. Bilclough (2), D. Bradshaw, D. Harris, N. Massie-Taylor

Melville came up against an undermanned yet hard playing Rockingham this week. Although lots of opportunities were

generated from the start of the match Melville found it hard to initially convert their efforts. Continued pressure resulted in a fitting 8-0 win to Melville, with goals coming from 5 separate players indicating the team effort displayed throughout the game. A hat-trick from the youngest player in the team (and up and coming goal sneak) Jason Dowie was well earned. Coach Phil provided Lachlan Drake-Brockman with an opportunity to step up the field from full-back into centre-half ... a challenge which he grabbed with both hands and had a solid game

Boys 5/6B Gold vs Westside Wolves (Red) (Lost 0 - 1)

Melville 5/6B Boys (Gold) lost narrowly 0:1 due to a goal in the closing stages of the game by top placed Wolves. There were many spirited attacks within the Wolves 'D' and Melville's defence looked certain to keep Wolves scoreless for the first time this season, but ... it was not to be. A great effort by the whole team. This team continues to improve in leaps and bounds. Excellent effort guys!!!

Girls 5/6B Gold vs UWA (Lost 0 - 4) 2015-06-06

This was a really tough game for our girls. UWA proved to be a very strong opponent, and our girls were forced to play a thoroughly defensive game. Luckily, the girls had practised short corners at training, and this proved to be very valuable as we managed to prevent an even bigger win for the opposition. Well done girls.

Girls 5/6B Gold vs AW Reds (Drew 0 - 0) 2015-06-13

Wow!! What a great game between these two teams!!! The first half was very even with a goal hit in from outside the D by Ruby. So close!! Abbey was our first half goalie and she seemed to really enjoy herself as the ball was hit up and down the field.

The second half of the game was really ours as there was at least half a dozen hits towards goals. Darcie was our second half goalie as Abbey came back onto the field to join her teammates in a very strong finish. Some great plays from Anna, Jess, Charlise this week, but overall, a very strong team effort in an exciting, nail-biting contest. The score really doesn't reflect the effort put in. Great game girls!!

Boys 5/6C Gold vs Dale (Drew 2 - 2)

Best: D. Swinton, T. Brough, C. Dodds

Goals: M. Hellberg (2)

A strong start in the first half by Armadale put our defence under real pressure. We managed to withstand quite a few shots and cleared well while our attempts at goal were thwarted by sheer weight of numbers in the D. Quick breakaways saw Dale score 2 goals in the first half. To their credit our players did not drop their heads but responded in the second half by maintaining possession, increasing pressure and scoring 2 goals of their own to tie the game at 2 all. We had many short corner opportunities in the second half which we could have scored with, missing 2 very close ones. Some great crosses and a wonderful deflection created real opportunities which our team needs to score with in the future.
