### **Ladies Premier 2 vs Old Aquinians (Won 3 - 0)**

Goals: R. Broek (2), C. Donaldson

Start of the second half of the season and it was against Aquinas at Aquinas. First game of the year saw us play Aquinas and only walk away with 1 point after dominating.

This week we were determined to dominate again, but also dominate on the scoreboard. Offensively we started well, moving the ball short and quickly, using each line to get the ball up the field. Defensively we started poorly, allowing them to run

2 on 1s and 3 on 1s at the D. Britt was showing early form in the game, making some crucial and impressive saves to keep us in the game. After conceding we needed a ramp up in the second half.

The girls focused and went out and completed the job, putting 2 more goals away from impressive open play, and impressive finishes by Roos. Very happy with the result and the improvement we have shown. Now with some wins in succession and

some confidence going forward, we want to make a firm run into the top 4 of the table! An achievable goal, but taking each game as it comes is important.

Keep an eye on this much improved and hardworking group of girls!

### PROVISIONAL LEAGUE

#### **Mens Provisional 2 Gold vs Southern River (Won 7 - 1)**

Best: M. Read, R. Williams, B. Joss

Goals: M. Read (3), J. Pickering, R. Williams, K. Armitage, R. Weddikkara

Amazing the change in mindset when not threatened with a hail storm. Fair weathered you may say ... well quite possibly - but finals are played in Spring - so we should be apples.

#### **Ladies Provisional 2 Black vs Wolves (Won 5 - 0)**

Best: R. Harrup, C. Dawes, R. Harries

Goals: C. Dawes (3), R. Harrup (2)

Even though we won 5-0, we really didn't deserve it. For the first time all season our first half of hockey was unrecognisable as us - we weren't playing our game at all. We weren't making the short passes, weren't talking to each other, weren't shutting down the opposition, it was really rather abysmal.

Luckily Morro gave us a bit of a spanking at half time that got us a bit out of our funky mood and we managed to rally ourselves for the second half, but it still wasn't out A game.

Lets shake this one off girls and come back next weekend really hungry for a great win before yet another bye.

## **Mens O40 Division 4 vs Rockingham (Won 2 - 1)**

Best: C. Bontempo, A. Steel, B. Gibbins

Goals: P. Willis, B. Kennington

Good all round team performance against an in form Rockingham. The game was played in good spirit and we seemed to have the edge with our ability to build an attack from a solid defence and midfield. A couple of injuries with Carlo taking a knock and Peter coping a nasty nose injury wish you both a quick recovery.

### **Mens O50 Division 2 Gold vs Kalamunda (Lost 1 - 2)**

Best: M. Pitcher, R. Nottage, K. Harper

Goals: K. Harper

Once again a game which was played on our terms for the majority of the time but another one that got away from us. It wasn't necessarily bad shots on goal but unfortunately for us Kalamunda's best player by far was their Goal Keeper who made some miraculous saves. Thanks again to Wayne Hudson for filling in who had a great game.

### **Mens O50 Division 3 vs Blades (Won 8 - 0)**

Best: J. Christie, G. Bowater, T. Patton

Goals: G. Bowater (4), D. Porter (2), R. Knyn, M. Ryan

You would expect a game that we won 8-0 to be one sided but to Blades credit they started strongly and really kept on challenging the whole game. Great to have our international import from Dubai Frank Williams playing. That 16 goals in two games can we keep going?

### **Mens O60 Division vs Old Moderians (Lost 1 - 5)**

Best: T. Parker, K. Platel, R. Domingo/G. Riley

Goals: K. Platel

We had another hard fought game against a team in the top four and in the end the score did not reflect the state of the game. Mods were effective in front of goal with a number of deflections scoring. In the second half we tightening up in this area of defence and probably has 60% of the play in our half. It was great to see Terry getting back to his best after a season of injury and illness. Geoff again made some great saves. He is getting plenty of practice and is getting better as time goes by.

## **Girls 11/12A Promotion vs Vic Park (Won 1 - 0)**

Best: Not this week pussy cat!

Goals: T. Power

Well the 'Dominators' came away with the points and proved to the competition that we are the team to beat. As our performance history shows we dominate the play and have most possession of the ball - in every game we play. This game was no different and if we had been able to convert only a small proportion of our shots, there would have been a more representative difference in the final score. Vic Park packed their backline and it worked with most of their players around and in the 'D'. Unfortunately we were also there and this made a very congested area through which to score.

Late in the 2nd half Taleisha came to the bench and conveyed her and the team's frustration at not being able to break through the crowded 'D' and was upset at the lack of reward for effort (with many failed attempts). Megs & Kirst consulted and told her to take a short walk to cool down and recompose. On her return with a bit of conveyed wisdom 'that this is where champions stand up' may have had its effect. Shortly after going back on - Tal went out and very promptly contributed the only goal. Yes! Tal you are a champion as are all your team mates. It's just that the energy level slips a bit and it's lucky we have such a great team to cover for those occasions. It may be a coincidence - but I've noticed that when you don't partake in the 'Power' oranges and 'Magic' snakes (at half time) we struggle to score. So next game it will be mandatory :-). Thank you to our double ups (Ashleigh and Sarah) who helped us out and performed their roles as if they were regulars. The repeated rebounds from our backs, the dominance of our centres and continual attack from our strikers eventually wore Vic Park down, exhausted their luck and our misfortune. One shot eventually slips through and that one goal was enough to bring success and our win ratio to 6 wins and 1 loss. We retain top spot with 2 games clear of all opposition. Thinking of our Safety, Health and Wellbeing - I must ask the team to please reduce the stress levels for us (more mature) folk. Oil that multiple goal scoring machine and use it. Our next game is against the Newman Knights who are second to us in 'goals conceded' so their defence should be a good test for us. Go the 'Dominators'!

## **Girls 11/12B vs Westside wolves (Lost 0 - 1)**

Close game for the girls today, unfortunately Westside wolves out classed them not giving our girls a chance to score, but was very close. Mel B amazing on goalie again today.

## **Boys 9/10A vs Lions (Won 4 - 0)**

Best: K. Potter, M. Love, R. Bright

Goals: R. Bright (2), K. Potter (2)

Good to start the 2nd round of the season with a convincing win and gain retribution for our first round loss to this team. Played well with some reward for our quality pressing and great to keep a clean sheet as well. Time to start rolling on.

### **Girls 9/10A vs CT Pirates (Won 3 - 1)**

Best: K. O'Sullivan, L. Gleave, C. Hobbs

Goals: K. O'Sullivan (3)

Hard fought win. Kayla put the 3 goals away after some hard work. Still need to be accountable for our role in the press and basics need to lift. At the end of the day we got the "w"!

### **Boys 9/10A Reserve vs Lions (Won 4 - 3)**

Best: Great team effort

Goals: H. Sutcliffe (2), B. Delaney, H. Parkes

Following a solid win last week we hoped to bring that effort through to today's game. This was always going to be challenging given that our opposition had beaten us in the first game of the season however it was going to be a good measure of our improvement since then.

From the start of the game the boys showed they were there to play, building well through the midfield and creating numerous chances to score. Generally we dominated play in the first half and looked to be well on top however we failed to capitalise on our opportunities and kept Lions in the game. They took full advantage of this and when they were presented with their chances at goal they took them. In the end the first half honours were shared.

We started slowly in the second half and were put under pressure, particularly through the midfield. It was great to see the boys battle through this, staying in the contest and not allowing the opposition easy ball movement. Gradually, the momentum turned in our favour and we gained the advantage through some great ball movement of our own. With our confidence growing we continued to maintain great pressure with the opposition finding it very difficult to break out of their half and in the end should have put a couple more goals on the board.

It was a great hard fought win by the boys and if we can tidy up some of our work in the front third and convert the opportunities we are creating, we will cause some problems for some of our more fancied opposition in the second half of the season.

Another great effort, well done.

### **Girls 9/10A Reserve vs OGMHC (Won 4 - 2)**

Best: A. Swan, A. Ross, E. Rayfield

Goals: A. Swan (2), L. Mellor, A. Ross

It was a game of two halves, where though the girls didn't play badly in the first half, they were amazing in the second. The first half score of 2-0 down did not reflect the play but the second half specialists came out and scored 4 lovely goals that secured the game.

Welcome to the 'D' girls - when you get into the circle, you can score goals! Well done to all players.

### **Boys 9/10B (Black) vs Lions (Drew 1 - 1)**

Best: M. Harrup, T. Alder, B. Munnings

Goals: S. McKinnon

This week was a wonderful game of hockey to watch, with two top four teams showing us what hard work and endeavour can create.

We had the better of the play on the day and while an amazing defensive effort from the opposition denied us the winning goal, the boys can be proud of the way they went about things.

### **Girls 9/10B (Gold)**

Best: C. Marrington, H. Jones, C. Marshall

It wasn't a one sided game and we had our opportunities which we were unable to cash in on. There was plenty of play in both halves and we tried players some new positions which worked well. Well done to the defensive team for holding up against the short corners.

### **Boys 7/8A vs Lions (Lost 1 - 7)**

Best: D. Page, D. Parkes, P. Lorraine

Goals: O. McHoull

Melville started strong and it was only the last few minutes of the first half when Lions scored their first goals. The boys tried hard to compete but Lions out performed on the day. Daniel Page played a great game as did Declan and Patrick. Jack Dowie had his first real blood incident when Declan came off the ground with a blood nose. Better luck next week.

### **Girls 7/8A vs WASPS (Won 2 - 1)**

Best: N. Flynn, I. Filmer, S. Hanavan

Goals: K. Edwards, N. Flynn

It's great to be able to report that the quality of the game was of a very high standard - by both teams. Our first half was arguably our best of the season. We dominated possession, field position and had half a dozen penalty corners or more. Neasa is playing so well I'm not sure whether I'd rather watch her play hockey or Nat Fyfe play for Freo. Ivy and Saoirse combined beautifully at the back with both players making timely tackles and interceptions. Chloe, though, is the master of the interception – her trapping and reading of the play has been very classy. Final mention must go to Mini on her goal. It was scored from my favourite distance: 1 cm. Well done all.

### **Girls 7/8A Reserve vs WASPS (Drew 0 - 0)**

Our last 2 games have been a big showcase of what this team has learnt.

Both in defence and midfield we dominated and our forwards set up many corners and scoring opportunities. It was only some old habits creeping in that stopped us from scoring and we will once again revisit our attacking core values.

Putting that aside I was still pleased with our efforts around the ground and look forward to further improvements.

### **Girls 7/8B (Gold) vs Victoria Park (Lost 0 - 2)**

Best: L. Skipsey, M. Borinelli, S. King

No report

### **Boys 7/8C vs Canning HC (Won 4 - 1)**

Best: Great Team Effort

Goals: M. Harler (2), T. Walker, C. Addison

After the previous week's relatively poor return from so many opportunities into the "D" it was so rewarding for the Melville boys to hit the back of the net 4 times against Canning. The most heartening facet was the way the boys put into play what Coach Jono had been getting them practice at training for the last month. Things are turning for the team and a lot of opposition who hung on for a draw first time round should now be wary of the much improved boys from Melville 7/8's.

### **Girls 5/6A vs Wolves Grey (Lost 0 - 1)**

Best: G. Morphew, N. Chisholm, C. Templeman

A very tight game against an evenly matched opposition. Keep working on the strong passes and effective outletting girls and you will continue to improve. Well done on today - it was good hockey to watch and we can see the work you are putting in at training paying off.

### **Boys 5/6A Promotion vs Wolves (Drew 2 - 2)**

Goals: E. Elliott, N. Massie-Taylor

Top of the ladder clash against Wolves who beat Melville in round 1, providing an opportunity for our boys to see if they could match it with the best team in their league ... and match them they did! The game ended up a 2-2 draw, Melville creating lots of opportunities to win the game but couldn't manage to slot the winning goal. The improvement in the Melville team compared with the round-1 clash observed from the sideline was marked, the worn out players coming off the field at the end of the game testimony to the effort they all put in.

### **Boys 5/6B Gold vs AW Reds (Black) (Won 5 - 0)**

Goals: J. Mellor (2), A. Rolls (2), M. Spires

Melville 5/6 Boys pulled off a convincing 5:0 win against AW Reds. Melville had a clear territorial advantage spending most of the game in the Reds half and making 17 shots on goal. Our boys play every position well and followed the agreed strategies to and stopped the Reds from making any shots on the Melville Goal. A superb team effort. Two goals each to Jude Mellor and Aidan Rolls and a single to Marcel Spires.

## Boys 5/6C Gold vs Kalamunda (Won 4 - 0)

Best: J. Bunn, K. Bridge, L. Ryder

Goals: D. Swinton (2), K. Bridge, M. Hellberg

Despite being ravaged by illness and playing one short we held a much improved team structure this week. Our players did really well to play in position and reaped the benefits. 2 solid team goals in the first half both scored by our determined right inner were reward for effort and some good work at training. One full back and the 3 half backs worked to get the ball forward to space and our wings received more ball and were encouraged to play their position. 2 second half goals saw one of our half backs deposit himself as well as the ball in the goal, genuine commitment, and the right wing scored a great deflect.
