### **Ladies Premier 2 vs NC Raiders (Won 2 - 0)**

Goals: L. Lefroy, C. Donaldson

This week the girls came up against second placed side NCR. The past three weeks has seen us improve as a team and individually and secure 3 consecutive wins. After a 4-0 loss to NCR earlier in the season we highlighted areas that let us down and made sure they weren't repeated. The improvement from the first game to now has been exceptional but it's important we keep working and making sure we continue to take steps in the right direction.

## **Ladies Premier Alliance vs NC Raiders (Drew 3 - 3)**

Best: J. Gallimore, A. Fullarton, D. Dravnieks

Goals: M. Dawe, J. Gallimore, C. Surman

Yet another game we let slip away from us! We were strong all game and just couldn't show it on the scoreboard. HUGE thanks needs to go out to Ash, Nat and Tori who filled in from juniors to supplement our depleted side and played brilliantly!

## PROVISIONAL LEAGUE

### **Mens Provisional 2 Gold vs Fremantle (Lost 0 - 2) 2015-07-04**

Best: G. Watton, R. Williams, B. Joss

As the rain fell as we commenced our warmup at 7.45pm on a Saturday night, it was imperative to get the boys fired up, and after reeling off "Alternate pre-game pep talk", and having won the toss for the first time - things were looking good. Having controlled the majority of the first half, the only thing letting us down was conversion. Unfortunately as our usual nemesis fatigue set in, it gave Freo a couple of chances, and whilst both should have been cleared they weren't, and Freo managed to tuck them away (although one could have been tucked into his sock as he 'kicked' it in...sort of). We on the other hand just couldn't take our chances. When does Spring start again.....

### **Mens Provisional 2 Gold vs WASPS (Won 4 - 0) 2015-07-18**

Best: R. Weddikkara, N. Elliott, T. Barrett

Goals: N. Elliott (2), T. Barrett, G. Watton

Inspired by the absence of their Captain, we powered to a 4-0 win with stand in captain and spiritual leader "Wookie" Weddikkara leading the way (and by that I mean he lead the team onto the pitch and was never sighted again).

## **Ladies Provisional 2 Black vs NC Raiders (Won 5 - 0)**

**2015-07-04**

Best: M. Woodforde, L. Costa, J. Powell

Goals: C. Dawes (2), J. Powell, J. Vanderzwan, R. Harrup

We have recovered our form!!! Much better game than we have been playing over the last few rounds. We were passing to each other, working the short passes and lots of talking. Was a great game to play. Unfortunately one of our super star forwards got taken out by their goalie and has injured her shoulder. Wishing her a speedy recovery, and hopefully she won't be out for too long

## **Ladies Provisional 2 Black vs Lions (Won 2 - 0) 2015-07-18**

Best: M. Woodforde, S. Jarvis

Goals: M. Woodforde, S. Jarvis

Not our best result - but still a win on the board. This match was definitely a preview to finals, which gave us a good idea on what needs just a bit more polishing off.

All in all it was a good game, not much to fault.

## **Mens Provisional 3 Gold vs Aquinas (Lost 0 - 2) 2015-06-20**

A disappointing game in that there wasn't the same effort applied from the week before although that could be because this was our home game being played at Rockingham....

## **Mens Provisional 3 Gold vs Southern River (Lost 1 - 3)**

**2015-06-27**

Goals: S. Criddle

A much better game in terms of pressure and running this week - took an early lead but fell behind from a lucky/excellent tomahawk shot from the baseline.

Tired towards the end with a player having to leave and losing the rotations.

Good all round team effort against a lower ranked team. Some good performances and some near misses. Excellent 4 goals from Sean and looking forward to the break and hoping to get some players back from injury soon. Good first game back from Paul - and had some subs with the brave return of Peter Wilkins. Well done

Best: B. Kennington, I. Munns/C. Bontempo, P. Willis/D. Joseph/D. Wauhop/P. Paino/M. Lawrence

Goals: B. Kennington (3), M. Lawrence

Well fought out game against quality opposition. good to have some players back in the fold like Ian and new players like Paul and Peter contributing to a good result. Had some lapses in defence and some umpiring issues in the second half and we need to work through these and focus on the game. good after game discussion and working well as a team.

Best: R. Achemedei, M. Watson, G. Currie

Goals: K. Dempster, D. Ross

Another top game against top opposition with our forwards and backs providing good ball movement and control. With the team rejigged with Harps and Dave Ross in the forwards, Ray at centre half and Rama at fullback and the others in their usual positions, the forwards were able to provide plenty of goal opportunities. Without some good YM goal keeping, [two shots deflected of his helmet and another gloved away and a number of others covered on the ground], and another shot a poster, the result could have been very different. Great team effort.

### **Mens O50 Division 2 Gold vs OGMHC (Lost 1 - 4) 2015-07-04**

Best: G. Widdicombe, A. Spear, T. Brooks

Goals: M. Pitcher

This game was played in two halves. Unfortunately for us Guildford managed to score 4 goals in the first half which in most cases came from basic skill errors on our part. After half-time we controlled most of the play but as per normal wasted numerous opportunities up forward only managing to score the solitary one goal. Some people may have thought it was a mis-trap that found its way into the net but those that know the skill level of the Panther would know that it was a perfectly timed deflection that was precisely directed inside the left-hand post by an inch.

### **Mens O50 Division 2 Gold vs Fremantle (Lost 1 - 2) 2015-07-18**

Best: A. Wood, A. Marshall, G. Coleman

Goals: G. Coleman

Playing an exhibition match on number one field, in front of a packed crowd, expectations were high for a long awaited win. Unfortunately, Pitch missed 15 goals, being the sole cause of us losing the match.

### **Mens O50 Division 3 vs Blades (Won 3 - 2) 2015-07-04**

Best: G. Bowater/T. Patton, D. Porter, R. Preedy

Goals: G. Bowater (3)

Really tough game against a team that had only lost two matches. Great defending by Melville with both backs clearing certain goals off the back line. They pushed hard all game and with 15 minutes to play were leading 2:1 but we dug in and kept the pressure up. Superb effort by Gary getting a hat trick. Many thanks to Leo and Frank.

### **Mens O50 Division 3 2015-07-18**

Best: T. Patton, R. Preedy, G. Bowater/M. Ryan

A competitive game playing with an undermanned side but we had our chances. Many Thanks to all the guys who helped us field a team - Johnno, Leo and Andy

### **Mens O60 Division 2015-07-05**

Best: G. Wood, R. Domingo, T. Parker

Goals: R. Domingo

We welcomed back Graham and Pete Dawkins made a guest appearance. They played as joint Centre Halfs and we suddenly became competitive against VIC Park. We were a bit unlucky with a lifted first hit on a short corner and 3-1 would better reflect the differences between the teams. It will give confidence going forward and we will win a few more before the season is over. We have the unbeaten top team at home after the bye so let's start with them!

### **Mens O60 Division vs Wasps (Lost 1 - 4) 2015-07-18**

Best: L. Welten, K. Woodward, G. Riley

Goals: L. Welten

It was a tough assignment for us playing the unbeaten top side brimming with state Masters players. We took it right up to them in the first half and were only down by one goal. They scored another 2 in the second half and we could not take advantage of a number of chances. We welcomed back Steve from his long holiday and Leo returned from illness. Our use of 2 centre halves seems to be working well against the top sides. It was a good team effort and should give us confidence against some of the lesser teams going forward.

### JUNIORS

#### **Boys 11/12A vs Westside Wolves (Lost 0 - 1)**

Best: S. Bentley, J. Ross, T. Ziegelaar

Our defensive and midfield ball movement was excellent and has vastly improved from early on in the season. The frustration from the game was purely from a soft goal that could have been prevented, combined with minimal scoring opportunities. We are still on track to achieving our season goal of consistently improving and making the finals. From there we believe we can beat any team when we play cohesively.

## **Boys 11/12A Reserve vs UWA (Lost 2 - 5)**

Best: A. McCartney, M. Dixon, C. Deaville

Goals: E. Swan, J. Parker

No report

## **Girls 11/12A Promotion vs Newman Knights (Won 3 - 0)**

Best: V. Wade, M. Foss, N. Matthews

Goals: T. Power (2), C. Browne

In this game our galaxy of hockey stars was missing Mon and Kate. However, 2 budding stars in Lisa and Eva were great substitutes readily fitting in and seriously contributing to the game - on behalf of the players & coaches, thank you.

The first half of the game was a bit of an arm wrestle with Newman playing some good hockey (direct and accurate passing) that made us chase and work a bit harder than normal to gain possession. But our 'Dominators' again outlasted their opponents, gradually strangling them into submission and resulting in a 1st half goal (this helped with lowering some of the spectators' blood pressures). Our backs, centres and forwards all again worked admirably together and (all would agree) are a cohesive TEAM of skilled young ladies.

After some half time words of wisdom from Megs & Kirst and of course the now mandatory consumption of 'Power' oranges and 'Magic' snakes the team went out (2nd half) and applied great pressure and scored another 2 goals. (But Girls - Kirst, Megs and I say you can do a lot better).

In assessing the game overall, we continue to push the opposition with our relentless run, dedication and team work which provides us with many a scoring opportunity. We continue to control a lot of the play with the usual story of unfortunately undercapitalising on our opportunities. Many an opposition team is grateful for that - I'm sure. One day we can expect all the kittens to line up and a scoring avalanche to occur. Let's make it in the finals!

Our next game is not for a few weeks (24th July) and we are scheduled to play 2nd placed UWA.

Remember UWA are the only team to beat us and it's payback time. So get switched on - attack, apply pressure, use each other and be merciless!

### **Girls 11/12B vs Whiford (Won 1 - 0)**

Goals: J. Thompson

With four of our girls away and having two fill in's, these girls showed amazing determination, dominating the whole game unfortunately the score doesn't show how well they played. Rebecca-Lee didn't give up being at one end to suddenly being at the other end of the field with in seconds at times, And the winning goal nicely struck by Jemma just a shame Felicity's goal was denied. Shame about the weather but again the girls just pushed through wanting and taking their win. Well done girls enjoy your two week break you all deserve the rest.

### **Boys 9/10A Reserve vs Hale (Lost 2 - 3)**

Best: L. Metcalf, L. Downey, J. Scanlon

Goals: B. Cole, H. Parkes

Following two solid games we were hoping to continue building some momentum against a team that had been promoted into the grade following the early rounds of the season. After a slow start, and conceding an early goal, the boys gradually got into a groove and where able to apply some sustained pressure on the opposition. This created numerous opportunities and resulted in us equalising midway through the half. Given the amount of play we had, particularly towards the end of the half, it was disappointing we were not able to go into the break with a 1 or 2 goal lead.

Initially, after half time, it was a real contest with neither side appearing to be able to get the upper hand, both teams using their midfields well and forcing some great saves from both keepers. This was until a brief 5 minute period when our marking in the defensive circle was not as tight as it should have been and we allowed two easy goals in. The boys continued to fight to the end of the game and had a couple of chances to equalise near the end but unfortunately it wasn't to be.

We continue to show glimpses of how good we can be when we stick to the game plan and work as a team. The challenge for the rest of the season is to do this consistently.

### **Girls 9/10A Reserve vs Westside Wolves (Red) (Lost 1 - 2)**

Best: J. Christie, I. Piggford, L. Mellor

Goals: L. Mellor

Well, the girls had a reverse game today! They came out strong and hungry in the first half, but waned in the second. They moved the ball around well in the first half, tagged their players well and stayed in front of the play. They rewarded with a surprising goal! They were consistent throughout the first half but lost their way a bit in the second. The Wolves came out firing and dominated possession. As the heavens started to open up on us, the defence did well to survive a barrage of short corner attempts, but not good enough to hold out the winning goal from the Wolves. Great game girls!

### **Boys 7/8A vs WASPS (Won 3 - 2)**

Best: B. Dowie, O. McHoull, D. Page

Goals: B. Dowie, P. Lorraine, O. McHoull

A great win by the the boys over WASP's. Everyone played well and Zac saved many attempts at goals. Some great play today by Bradley Dowie, Oben Mchoull and Daniel Page. Goal scorers today was Brad, Oben and Paddo.

### **Girls 7/8A Reserve vs Mods (Lost 0 - 2)**

Once again we couldn't find the back of net as we worked hard for many scoring opportunities.

The girls have been getting better at implementing the game plan but cheap turnovers cost us with against the run of play goals.

The rest of the season now will need continual improvement, if we can all see and concentrate of what is being needed then success will follow.

## **Boys 7/8C vs Southern River (Lost 0 - 5) 2015-07-04**

Best: Spirited team play

Up against "boys" at least 1 foot taller and a team that hasn't been beaten was always going to be a tough ask for our boys but to their credit, they rallied and held their ground. In the end, the 5-0 scoreline wasn't really a true reflection of the closeness of the game. Sure, the opposition scored a few early goals but the Melville boys too had their chances early on and could easily have scored 2 themselves had luck been on their side. Our boys held strong and held the opposition to only 1 goal for the 2nd half which was testament to the ability of the team to hold their positions and move the ball fast and wide. For their first game on turf this year, Coach Jono was pleased with the continuous improvement shown by the boys.

## **Boys 5/6A Promotion vs Mods (Lost 1 - 2)**

Goals: D. Bradshaw

This week's match was tough one, with a few out due to school holidays meaning no available subs, and some players who were on the field seeming to already be in holiday mode. Melville certainly created their chances but didn't show the hunger required to win it today. As no one likes the feeling of a loss I'm sure the boys will use this game to spur them on in future games to dig deep when things get tough.

## **Boys 5/6B Gold vs Rockingham (Won 3 - 0)**

Goals: E. Cooper, C. Quartermaine, R. Stephenson

Melville Boys notched up a 3:0 win against Rockingham with a goal each to Cosmo Quartermaine, Eamon Cooper and Riley Stevenson. All players contributed to keep the ball in their forward half for the majority of the game leaving James Latto, the goalkeeper, with a quiet day out.

### **Girls 5/6B Gold vs Wasps Yellow (Drew 2 - 2)**

Goals: Z. McFarland (2)

Our girls toughed it out at the beginning of the match as they were down two players at the start. As our backup players joined the game, we managed to hold the Wasps off until the last few minutes of the first half as two goals were scored against us. After the short break at half time and a stern talking to by Coach Chloe, the girls went back onto the field with a new resolve. Even though almost half our team were substitutes, they all managed to come together to play a brilliant second half with two goals scored by Zara (one of the subs from the Cs!) Some great defence by Shannon and Ruby and awesome goalkeeping by Anna.

### **Boys 5/6C Gold vs Fremantle (Lost 2 - 7)**

Best: M. Hellberg, T. Dyson, T. Stone

Goals: M. Hellberg (2)

Fremantle played a very good game today and took advantage of every error we made. Our defenders were pushed really hard and our Goalie made them work hard for every score. Once again Michael shined with two break-away goals where he passed all defenders to attack the goal alone. We look forward to having our missing players back in the team, but we are also going to learn from today's game and come back ready to play better after the break.
