PROVISIONAL LEAGUE

**Mens Provisional 2 Gold vs Rockingham (Won 4 - 2)**

Best: B. Rushton, A. Halliday, R. Williams

Goals: J. Pickering, R. Williams, G. Watton, M. Read

A game that epitomised the true spirit of sportsmanship and mutual respect between combatants, a pleasure as always and the stereotypes about people from Rockingham are not true. Bully Old Chaps!

### **Ladies Provisional 2 Black vs Uni Associates (Lost 2 - 3)**

Best: M. Woodforde, L. Blechynden, R. Harries

Goals: K. Sparkes, S. Jarvis

Unfortunately our winning streak is over. But I suppose if you only have lose one game in the year, its better to be during the season rather than the Grand final!!! It would be quite easy to sit back and blame it all on the umpires - because they were horrendous and extremely biased - but we also weren't there to win. When we did play our game we played it well, but we only played about 25 minutes of really good hockey, whereas the opposition played a very physical full game of hockey.

But at least we know have some fire in our belly, so that when we play them again in the first round of finals we will remember this game and use it (hopefully) to pound them!!!

### **Mens O40 Division 4 vs Lions 4 (Lost 1 - 2)**

Goals: B. Kennington

Tough game against the top team. had nearly a full quota of players but were still unable to win though we may have been able to draw the game if some of our shots went in, We weren't so great at our passing game and we needed to be more hungry for the ball I think we learnt a little from the game and how we can get a better result.

### **Mens O50 Division 1 vs Mods (Lost 0 - 4)**

Best: M. Watson, G. Ranford, D. Loffell

Went into the game with high hopes after last weeks outstanding game and our previous game against Mods. Again the effort was there. The abysmal state of the Charles Veryard grounds were not a contributor as our trapping and passing were up to the challenge. We had a number of good goal opportunities, applied some good goal pressure, but without the necessary results.

### **Mens O50 Division 2 Gold vs CT Pirates (Drew 1 - 1)**

Best: G. Hunt, E. Nell, S. Silvey

Goals: A. Wood

We struggled to convert scoring opportunities, but finally managed to scramble one past the goalie late in the second half, only to be out done by a magnificent late cut by gramps into the wrong goals. Gramps will surely be in contention for the third test.

### **Mens O50 Division 3 vs Lions (Won 6 - 0)**

Best: J. Christie, R. Knyn, L. Alder

Goals: J. Christie (2), M. Hudson (2), L. Alder, R. Knyn

Good to get another win on the board after a few poor results. An effective game but not pretty. Many Thanks to Andy.

### **Mens O60 Division vs Wolves (Lost 0 - 3)**

Best: G. Riley, P. Hall/L. Welten, P. Oudejans

As usual a tough game against the third placed Wolves who have a very skilful side. We fought hard in the first half but they scored twice. In the second half we went back to a traditional structure and restricted them to one goal. Geoff played another great game and made some fantastic saves that kept us in the game, well done Geoff.

Best: C. Thompson, J. Rutigliano, T. Ziegelaar

Goals: N. Page

An ugly win but a win none the less. Still nowhere near our best which we played in the 2nd half last week. Still we got the 3 points and that is all that we need at this point. Look forward to next week!

## **Boys 11/12A Reserve vs Westside Wolves (Drew 1 - 1)**

Best: M. Dixon, G. Bloem, A. Edgar

Goals: M. Dixon

After last weeks wonderful performance, another was going to be needed to compete against a strong Wolves team. Despite Wolves putting our defence under pressure early on, we managed to create a few counter attack opportunities. Throughout the first half, both teams had chances to score, and a penalty corner or 2 each, but neither could convert. The physical application of the Melville boys was great, and it was going to be maintained for the 2nd half if we were to win.

Despite some untimely turnovers, in areas of the pitch which weren't ideal, Andrew in goals, along with our defenders were able to keep Wolves out for a period of time. A good backhand deflection by the Wolves player finally gave them a 1-0 lead. This didn't deter the boys, as they hit back from a penalty corner in the following minutes. A hard hit from Dicko at the top, was deflected in on the post by the Wolves player. Wolves had a penalty corner after the 70 minutes were up, but our defence were able to successfully clear it, leaving the end score as a 1-1 draw.

Although we did turn the ball over a lot, Wolves are a strong team, so to hold them to a 1-1 draw shows the improvement the boys have made over the season so far, and that they now are one of the stronger teams in the competition.

## **Girls 11/12A Promotion vs Wolves (Won 2 - 0)**

Best: N. Matthews, T. Power, V. Wade

Goals: C. Dawes, M. Foss

The girls met pre-game and did their usual chit-chat and banter before warming up exercises - but this time Mon brought along some 'motivational' music that would have kept sleeping beauty resting for another 12 months. Please Mon think of the team, our ears and the approaching finals. Unfortunately due to work commitments coach Megs missed the game and left coach Kirst with sole responsibility.

Our previous Wolves clash had us completely dominate with a strong win and this game should not have been any different. However, the Wolves were strengthened by a beautiful full moon and went into the game very confident of an upset. The game tempo appeared unusually high with the opposition putting up a great fight (particularly their GK) who stopped many a shot on goal. Our drive seemed a little flat this week and the luck that we usually create for ourselves wasn't as prevalent. The atmosphere was a little down, so the manager even had to do a little dance to get a couple of players up and running (running away that is!). Gradually we wore them down (as we do) scoring a goal in each half which was just enough to muzzle the wolves and take home the points.

We only have two more home and away games left and every team experiences a little bit of a slump during a season. Ours seems to have been intermittently occurring over the past few weeks, which isn't a bad thing really, given we have still left with wins and the finals (the pointy end) is rapidly approaching. I predict the 'Dominators' will be at their playing best come finals time. If we have some decent music!

## **Girls 11/12B vs St Brigids (Lost 2 - 4)**

Goals: R. Dymond, K. Gauci

Sadly even though the score doesn't reflect on the game the girls played today but they owned the field. As soon as St Brigid's had the ball down their end our girls where soon on their tails bringing it straight back to Melville's end. Rebecca Dymond, and Rebecca Vanderzwan had a cracker of a game confusing the opposition and leading the way. The girls are clicking now and its a shame there's only 3 games left of the season. Beautiful goals scored by Rebecca Dymond and Kirra Gauci, Just a shame Bailey Irvine wasn't on centre with all her missed shots otherwise it would of been a different score.

### **Boys 9/10A vs YMCC (Won 7 - 2)**

Best: K. Potter, W. Stewart, M. Tate

Goals: K. Potter (2), D. Whibley (2), R. Bright, W. Stewart, D. Forbes

Took us a while to hit our straps but once we put it all together in the second half we completely dominated the game. We will need to tidy up a few things that the better teams in the comp will punish us for, but the 3 points ensures we are in a good position to make finals.

### **Girls 9/10A vs NC Raiders (Won 5 - 0)**

Best: J. Snyman, S. Wignell, K. O'Sullivan

Goals: A. Drane, M. Hagen, K. O'Sullivan, J. Snyman, A. Bell

Good 5 goal first half. Made a lot of opportunities and was able to control the game the way we wanted to play. Very average second half where we ran the ball, went straight down the middle and didn't use the space. Just 6 first halves to go. Eliane - if you want to sub, just ask - don't get hit in the face!

### **Boys 9/10A Reserve vs YMCC (Lost 1 - 3)**

Goals: J. Lukan

Our one and only game on grass this year and we started well, holding possession and creating opportunities for our forwards. Unfortunately brief lapses of concentration are hurting us as the opposition consistently scores at these times. We have to be better at defending during these lapses and understand that sometimes you need to scramble in defence when the momentum of a game shifts in the oppositions favour. If we can hold on during these periods the momentum will swing back our way and that is when we need to capitalise.

It is pleasing to see the group working hard to stick to the game plan, we just need to start finishing that good work off in the attacking D

### **Girls 9/10A Reserve vs NC Raiders (Drew 1 - 1)**

Best: E. Rayfield, L. Mellor, C. Power

Goals: A. Swan

Our first grass game of the season and thankfully our last!!! The girls looked a bit sluggish in the first half and got caught napping as the Raiders scored their first goal. The forward momentum did start to pick up in the second half and luckily earned us a goal to level the match.

### **Boys 9/10B (Black) vs YMCC (Won 7 - 1)**

Best: M. Harrup, M. Gillard, G. Hyde

Goals: M. Gillard (3), L. Farrow (2), B. Munnings, R. Needham

Our one and only turf game for the year was always going to be interesting and the boys didn't let us down with a strong performance against a very brave and committed opposition to cement a finals spot. Many thanks to our 7/8B boys Aiden and Brandon for helping us to cover some illness and absences, it is great to see young men volunteering to help the older age groups in times of need. We now face the 3 games that will determine which finals position we occupy, keep up the efforts boys and look forward to representing your club in the finals.

### **Girls 9/10B (Gold) vs Wolves Red (Lost 0 - 7)**

Best: I. Moncrieff, L. Green, A. Belke

We let the match get away from us in the first half but after a dodgy start we came good for a second half that saw us have at least as many goal scoring opportunities as the opposition. Again we had no subs so surprising the best play from all was in the second half and pleasing to see the way we worked together to get the ball into the circle. Good work girls

### **Boys 7/8A vs YMCC (Lost 2 - 6)**

Best: D. Page, O. McHoull, P. Lorraine

Goals: D. Moulin (2)

YMCC won easily but our Melville boys never stopped trying. The first two goals came to YMCC early in the first half. Daniel Page, Oben McHoul and Patrick Lorraine all played well today. Good luck next week boys.

### **Girls 7/8A vs YMCC (Won 2 - 0)**

Best: N. Flynn, J. Jackson, C. Power

Goals: N. Flynn, J. Jackson

This was perhaps our most complete game of hockey for the season. Our defence covered for each other and used our right half very effectively to get the ball into attack. Chloe Power also chipped in one brilliant and two or three other quality saves. Coco also chose the right time to attack their striker on a breakaway. The girls moved the ball through the midfield with good passing and carry. Neasa led the way in this regard but she was closely followed by Jayde. It was good to see Gabby back providing strong run to back them up.

Georgia took one for the team but showed what she's made of by desperately wanting to get back on the field. The area that needs to be tidied up is the final shot on goal in our attacking PC variations. Perfect practice will make perfect.

Gemma is coaching whilst Keith, Jayde and Needy are at the School Sport Australia national 12s championships at UWA this week. Be good and wish us all the best.

p.s. special mention for Kate Cowan – a full back in the making.

### **Girls 7/8A Reserve vs NC Raiders (Lost 0 - 5)**

One step forward, two steps back. Dejavu this week as it was like our very first game. We forgot our skills, ball movement and leading. It was only in the last 15 mins that the team decided to play and put pressure on the opposition. Back to training this week and some hard work all round to reset and regain our composure before next weeks game.

### **Girls 7/8B (Gold) vs Wolves (Lost 0 - 1)**

Best: C. Batten, M. Frossos, J. West

Last game for the girls under coach Andy Bull. Unfortunately the girls were not able to pull off the win for him this week. As always a closely fought match against the Wolves, Cassidy Batten fabulous in goals and our best on ground this week. End result 1-0 to the Wolves. A big thank you to Andy for a big effort this season as coach and we all wish him well in Amsterdam.

### **Boys 7/8C vs Kalamunda (Won 2 - 1)**

Best: Spirited team effort

Goals: M. Harler, B. Creighton

After copping a 4-0 thumping the first time they met. the Melville boys were keen to put on a better game against the 2nd best team in the competition. Boy did they do that. Within the first 3 minutes, Ben slotted one past his defender and across to Maxwell who promptly dodged the keeper and banged home the opening goal of the match. In a match where the opposition were getting overly physical, it was a delight to see the Melville boys keep their resolve, heed the words of Coach Rayfield and put weeks of training drills into action. The team defence was rock solid and only for a minor lapse toward the end of the 1st half, their performance was outstanding all game. The improvement in these boys as a team is nothing short of magnificent and although finals may fall agonisingly short come the end of the season, at least they're improving, enjoying their hockey and the company of each other.

### **Girls 5/6A vs WASPS (Drew 1 - 1)**

Best: C. Templeman, G. Murphy, E. McCormack

A tight game in which the team demonstrated good passing, which created some good opportunities in front of goals. Keep working hard to make the most of those opportunities in the D, and make sure we are first to the ball every time. A good team effort.

## **Boys 5/6A Promotion**

Goals: D. Parker (2), R. Roy

Second turf game for the year and seemingly a tough surface for the boys to get used to. Rockingham train regularly on the surface and for much of the game showed us how its done. Melville had not led all game until the final goal to bring the score to 3-2, the boys digging deep and worked well together for this winning goal ... a fast break from mid field by Dylan Bradshaw with the ball being passed around among half the team before finally finding the back of the net. Two goals by Daniel Parker, moved to up the field by coach Phil to play striker from his normal defensive position and made the most of this opportunity, added to by the first goal of the season for newcomer Ritvij Roy. Well done boys!

## **Boys 5/6B Gold vs Fremantle (Drew 3 - 3) 2015-07-26**

Goals: J. Mellor (2), R. Stephenson

No report

## **Boys 5/6B Gold vs Westside Wolves (Red) (Won 3 - 2) 2015-08-01**

Goals: R. Stephenson (2), C. Rynvis

Melville 5/6 B Boys continued their week to week improvement with a convincing 3:2 win over the previously undefeated Wolves. Riley Stevenson slotted two quick goals in the first half and Corey Rynvis was rewarded in the second half for his consistent efforts. A strong defence and midfield kept Wolves in their own half for most of the game while the Melville forwards made numerous assaults on the Wolves goals. A solid effort from the team on the rise.

## Boys 5/6C Gold vs Kwinana (Won 2 - 1)

Best: M. Horrocks, T. Stone, L. Paterson

Goals: M. Hellberg (2)

We played with better structure on field this week. Our half backs held position well and were able to deliver good ball forward. Full backs and goalie saw quite a bit of action but great keeping and good clearing meant we were able to relieve pressure quickly. Some exciting runs forward by our centre and inners had the parents voicing heaps of support.

It was great to see the team using the ideas we worked on at training this week.
