Ladies Melville Toyota League vs UWA (Lost 3 - 6) 2016-07-02

Despite the score line - there was a lot of good things to come out of this game! Keep your heads held high girls.

Ladies Premier 2 vs UWA (Drew 0 - 0) 2016-07-02

UWA are traditionally a quality outfit, and this year they have been arguably the bench mark of the competition thus far. The first time the girls played them, it was a tale of two halves, playing really well for the first 35 minutes, but dropping away to concede 3 goals in the second.

This week our focus was to string together a solid 70 minutes of aggressive, physical and team orientated hockey. There were 3 considerable outs from our team this week, but knowing we have the depth in our squad, we were confident we could come away from the "SuperTurf" with points.

We ticked off being Aggressive, Physical and Dynamic in the first 5 minutes, and our game continued to flow from there. With both two teams that are strong through Defence, Midfield and Attacking lines, the game was destined to be a grind out.

We successfully put together the 70 minutes we wanted. Had our chances to pinch a goal, but also defended well to reduce the amount of chances UWA had. Coming away with a draw, with 1 point, is a great effort from the girls, and it shows our improvement thus far this season.

We are striving for that Top 3 / Top 4 position, and are on our way, so watch this space!

Ladies Premier 2 vs YMCC (Won 4 - 1) 2016-07-16

Goals: A. McNess (2), M. Hagen, K. Hocking

The girls bounced back after a long break with a fairly good 4-1 win over YMCC.

It took us a while to get going, conceding in the first 5 minutes of the game off of a short corner.

The girls were instructed to move the ball with a purpose, find our midfield, and have a go in our attacking third.

We couldn't achieve those things in the first half, and sat at 1-1 at the break. After reassessing and refocusing, we managed to go out and achieve those key points Sean and myself put to the girls, and as a result, scored 3 goals.

Great result, but it took us too long to get into our rhythm. Playing with that disconnect and lack of purpose will see us lose games against the top 3 teams.

The girls understand and are working hard to string together a solid 70 minutes so that we can gain some momentum and head into Finals.

Next game against WASPs on Sunday, head down to cheer them on! A win will put us 3rd!

Mav's last game for a few weeks and Davo's last brain explosion for the season.

A physical encounter which for a change Melville won hands down. Fun to watch the self entitled whinge about harsh tackles, body contact and bickering amongst their own.

During the first half of the season Melville were the only team to beat UWA. That game was won in the last 60 seconds as team work out lasted individuals and we took the ball end to end for the winner. This time we dominated long sections of the match. Controlled the ball when in possession and controlled UWA when defending. After several attacks we opened the scoring. Not actually sure who scored - someone will claim it!

Then a tough period well weathered by defence. Into the second half and an unfortunately defensive deflection gave UWA an equaliser. Fitness and more importantly teamwork won the last 20 minutes. AJ scored our winner after a good attack. Many other chances created but just the last pass was slow or poor first touch prevented a handful of goals.

Who played memorably? The team but singling out a few: AJ for unselfish running, Sean for his control, double ups - Amac and Ogggy for their control and tireless efforts.

Roll on YMCA in a couple of weeks. A very pleasing result. Enjoy your trip north, Mav.

After the weekend off, the Melville 4s found themselves having to make a trip to the other end of the earth, to take on Guildford at their new home turf, which happens to be blue. Despite a map of the school and location of the turf being sent out, Chook managed to go the Bassendean, (I'm not sure exactly where in Bassendean, but apparently it was close to Guildford) and Brianna texted through an ETA of 1250 (team arrival was scheduled for 1230), as she only arrived at breakfast with the all important boyfriend at 1130am. However, Chook and Brianna can both be excused as they actually still did make it to the turf, and were able to take the field at the start of the game (oh wait, we had no umpires turn up, so thanks to co-coach Matt for blowing the whistle until an umpire turned up).

Wind back a few hours earlier on Sunday morning, and I woke up to a message from Brianna (she is VP after all and organises most teams each week), asking if I wanted to get another player to fill in for Shahni. I wasn't too sure why we needed another player, but obviously I hadn't been on the #4slyfe facebook page to see the Shahni had written message to us all apologising that she wouldn't be able to make it to the game. Brianna had only informed me that 'Shahni couldn't play', and it wasn't until I went on facebook a couple of hours later I found out that Shahni had admitted to being severely hungover and barely able to open her eyes, so did we have enough players because she probably wouldn't make it. Well done Shahni for being honest at least! Lets hope your liver is still functioning well!

Anyway on to hockey, I will keep this part short and sweet. We are top of the table, Guildford at 8th in a 9 team comp. Matt and I have been wanting to challenge these girls, and have different structural ways of playing. Back 3 instead of a traditional back 4 was the plan of attack this week. This was not the first time it has been done, and we have also trained it. Matt and I both find it intriguing how

essentially changing the position of one player, when outletting in our back half means everyone loses the ability to trap and pass a ball, to run to the right places on the pitch (yes strikers, you are meant to have someone wide) and that it immediately becomes someone else not doing their job, rather than individuals questioning their role and what they are doing in the new setup. We were 0-0 at half time, and down 0-1 with 15 minutes to go. Captain Maddie stepped up to the plate and netted 2 goals for us to win 2-1. 3 points were taken, I had to leave to umpire straight after, and Matt did the post match debrief, then it was off to the pub for most to have a drink before starting the long adventure home.

Oh, and Guildford Hockey Club, if you receive a letter in the mail from Mrs Lauren Costa, I can guarantee it would be about who designed your new turf, and why they didn't put a water tap in each dugout. Poor Lauren had to walk all the way, (by all the way I mean maybe 5-8m out of the dugout) to the tap, to wash her mouthguard.

Best: T. Barrett, G. Watton, B. Rushton

Goals: G. Watton (3), M. Read (2), K. Armitage

A welcome return to form following a couple of disappointing results. After Newman adopted the unfairly criticised tactic of not marking in the midfield we controlled much of the game, but as usual made hard work of it up front. Grunter stepped up for 3 handy opportunist goals.

Mens Provisional 2 (Black) vs Mods (Won 3 - 0) 2016-07-16

Best: B. Joss, B. Wake, T. Barrett

Goals: J. Pickering, G. Watton, R. Weddikkara

With the rain falling and Mrs Bear on the cusp of dropping a little cub, there was a question mark over whether we would field a side. Fortunately our fears were allayed as 12 enthusiastic faces braved the elements for a thorough 8 minute warm up. Playing on a Pond takes a bit of getting used to and thankfully we seemed to acclimate a little quicker than Mods, controlling the first half and succeeding in our efforts to avoid doing anything that might resemble scoring a goal. The second half was not much better, but fortunately managed to find the net three times in fairly unconvincing fashion, including Slug's "Kenny Armitage Special" after the final whistle.

Best: C. James, E. Hopkins, G. Repton

We started off very well, held our structure and scored the opening goal. This however signalled a turn in the game, especially after our second goal was denied off a legal PC conversion. Lack of accountable passes and basic skill errors coupled with some loss of midfield composure meant the opposition soon took the lead. From there we chased but the loss did show what was achievable and I think all the team realised this was a lost opportunity. We now need to regroup, only a good turnout at training will see a turnaround as we need to address some areas to move forward positively. Thanks to Kayla, Nia and Jo for your help this week.

A good win on a wet afternoon with lots of our regular players away. A huge thanks to those who came to help out, Allison, Lindy, Helen and Eilidh. Many a shot on goal but please stop aiming for the goalie! Special mention to Eilidh, possibly her last game with us for quite a while...by the time you come back you'll be able to buy us a drink! Great to see the sidelines full of supporters braving the conditions, except the Rayfields who bolted at the slightest drop. A guest appearance by Dicky Knee was hilarious and her marking skills on the umpire were brilliant.

Ladies O35 Division 4 vs Joondalup Lakers (Won 5 - 0)

2016-06-29

Best: C. Smith, G. Hogg, R. Thompson

Goals: C. Smith (3), D. Murphy, J. Rosso

Good win girls, worth the trek to Joondalup for a 9pm game. The first goal was so quick the bench didn't even notice...might have missed another one too!! A goal feast followed, Conor scored 3 of them but sadly they didn't open the bar for her buy. Strategic plans are in place for next week's after game debrief back to the same venue.

Ladies O35 Division 4 vs (Won 0 - 0) 2016-07-07

Best: M. Margetts, H. Doyle/O. Hasselerharm, C. Smith

Goals: C. Smith

Travelled to Joondalup to play a hard fought game where we had good movement forward but many near misses unfortunately not converting into goals. Fantastic defence by Maris in the centre taking out overwhelmingly best player followed by Helen, Olive and our goal scorer Conor. Final result was a 2-1 loss but well done team!

Ladies O35 Division 4 vs Newman Knights (Lost 3 - 1)

Just wasn't working for us tonight but luckily the rains held off. Sadly the same old story, lots of shots on goal but unable to hit that backboard. Maybe the visors need to come back girls. Maris's shaggy shake entertained the bench and Jo's party trick of a pop out knee, twice, not so entertaining.

No longer the club crabs we are now regarded as the wet weather specialists and didn't it rain indeed. A good 5-1 win and in 60 minutes, I guess the umpires could stand the rain anymore.

Mens O40 Division 4 vs Fremantle 2 (Lost 1 - 3) 2016-07-03

Best: B. Kennington, P. Brennan, J. Baker

Goals: A. Pillay

A very tight game as always when playing Fremantle. The game started evenly balanced. However Fremantle were able to control the game more as the first half proceeded with numerous opportunities presenting themselves. As the half drew to a close Melville was able to get its game into action and scores the first goal just before half time.

After the break Fremantle came out firing and equalized shortly after half time. The game then tightened up with both teams having opportunities. Melville equalized but had the goal disallowed after undue pressure from the Fremantle umpire and players were placed on the Melville umpire who capitulated. This changed the mood of the game with further inconsistent umpiring from the Fremantle umpire ensuring the games final result was decided by this umpire. Fremantle score 2 more goals after this point leaving a result of 3-1.

Mens O40 Division 4 vs OGMHC (Lost 1 - 2) 2016-07-18

Best: J. Baker, P. Brennan, D. Wauhop

Goals: S. Pszczola

This was a hard fought game under heavy wet conditions with the result having the potential of going either way. OGMHC started strongly and scored the first goal shortly into the first half. A tight arm wrestle followed with Melville equalizing shortly before halftime. The second half was strongly contested by both teams each of which had the opportunity to score. OGMHC scored from open play late in the second half after Melville was reduce to 10 players due to a sendoff. Melville continued to attack and were unlucky not to equalize. The game ended 2-1 in favour of OGMHC.

Mens O50 Division 1 vs YM (Won 4 - 1) 2016-07-02

Best: K. Harper, D. Wilson, D. Loffell

Goals: P. Dawkins (2), K. Harper (2)

Another consistent team game for the full term. Everyone played their part in closing down the YM playmakers. It has been a number of seasons since we have prevailed over YM. Thanks again to Harps and Egg and to Aki and Darran.

Mens O50 Division 1 vs NCR (Lost 1 - 2) 2016-07-16

Best: D. Loffell, D. Wilson, M. Watson

Goals: M. Watson

Disappointing outcome against a team that had not won a game until now. The grade is competitive with all teams capable of upsetting any other team on their day. We had the play but did not convert. The heavens opened in the second half and provided a flooded and water logged field, not experienced in years; providing another dimension to the game, negotiating the flooded areas.

Mens O50 Division 2 (Gold) vs (Lost 1 - 5) 2016-07-02

Best: A. Starling, S. Llanwarne, C. Slattery

Goals: A. Starling

Fronting up with a much depleted side, against the top team, it was always going to be a hard day at the office. We were 4 goals down at half time and things were not looking good. An inspirational half time talk by Andy saw us come out fighting to effectively draw the second half.

Mens O50 Division 2 (Gold) vs Willetton Reds (Lost 1 - 2) 2016-07-16

Best: B. Morrison, B. Bocking, C. Slattery

Goals: B. Morrison

What started as a Hockey game ended as a Water Polo game. We started well, scoring first, but it was all downhill after half time. The rain started as a drizzle, Willetton put in two quick goals, the heavens opened and the game was called off. We retreated to the clubrooms looking like we had completed the Rottnest swim in our kit.

Mens O50 Division 3 vs Blades (Lost 1 - 3) 2016-07-02

Best: J. Delaney, J. Sembi, E. Nell/T. Patton

Goals: A. Toogood

With only 10 players it was always going to be difficult. We got an early goal but Blades equalised before half time. In the second half they got two great deflections sealing the game

Mens O50 Division 3 vs Wolves (Won 3 - 1) 2016-07-16

Best: J. Delaney, C. Avent/J. Christie, M. Pitcher

Goals: M. Hudson, R. Knyn, A. Wood

Well deserved win to Melville. Goal in first half set up by Gonzo and great teamwork to finish off. We always looked the stronger team and took some time get the goals on the board. Overall a good win against a team only one position below us

Mens O60 Division vs Wolves (Lost 0 - 2) 2016-07-02

Best: K. Platel, G. Riley, L. Welten

A good effort to restrict the top team to two early breakout goals, with everyone working hard for the team, and linking up well, most times, all over the field. Many thanks to Brooksie for doing a great job as a fill in up forward.

Mens O60 Division vs Whitfords (Lost 2 - 3) 2016-07-16

Best: L. Welten, G. Wood, S. McEntee/K. Woodward

Goals: S. McEntee, L. Welten

We travelled to Whitfords and welcomed Woody back for his first game of the season. He played a very important role in the centre and we only had the bare 11. We started poorly and were down by 3 at half time. Hitting with the breeze in the second half we pegged back 2 goals but once again lost by one. Some great efforts by Leo and Steve to get us moving but to win we need to start better and play a lot closer to our opponents in defence.

JUNIORS

Girls 5/6C vs Westside Wolves - Pink (Lost 0 - 3) 2016-06-25

Best: S. Huston, Y. Rigg, A. Farrell

Our attempts at finding an unmanned team mate made it challenging to feed the ball forward. We had some runs at goals but found it challenging to convert to goals. We need to remember our angled passes to get around packs of opposition players.
