PREMIER LEAGUE

Mens Premier Alliance vs WASPS (Won 4 - 1)

Goals: D. Ogden (3), A. Wragg

Missed a great win by the 1s, then watched the 4th and 5th 2s goals before the 3s made the turf.

Last time Wasps beat up 9 kids under 18 and swaggered around.

This time team selection was a little different and Wasps whinge most of the game. I used the 1s YM game as a model. Bash them, give them nothing and never fight fare.

Worked well!!!

3s beat top side 4-1. Thumped them really. Oggy managed a short corner hat trick and AJ managed to lob the GK but doubt anyone could replicate the shot.

Once again MVP was team effort and persistence.

Special mention - Josh W had the ball on a string all game. Almost a Willet performance for old readers. Good to watch Sean R come onto a great game despite an initial brain fade that will go almost unmentioned.

Another big game next week against Vic Park. Stay focused and do not expect to win and we probably will.

Well done MCHC, a great evening of hockey - first round on the Pres.

PROVISIONAL LEAGUE

Mens Provisional 2 (Black) vs Wolves (Won 2 - 0)

Goals: R. Weddikkara (2)

Best: R. Weddikkara, A. Halliday, R. Lee

Notwithstanding a few personnel changes from last week, we managed to continue our midseason renaissance in securing a vital win against the equal ladder leaders. The match was a typical outing in that we controlled much of the midfield but struggled to find the back of the net. Eventually it was the slug who oozed his way on the scorers sheet after a bit of a goal mouth kerfuffle securing a 1-0 lead at the half. After spending his half time being berated by teammates for being nothing but a seagull, the slug entered the second half with a point to prove. Fortunately for us, in the first 2 minutes of the 2nd half Slug found himself at the top of D (out of position) and was able to power one into the bottom corner giving us a crucial 2 goal buffer. It was fortunate as the next 33 minutes he returned to his seagull ways, unable to find that one last elusive chip to complete the hat-trick.

After our loss last week it would take a special effort to bounce back especially against the second placed team. To win these games requires a group who doesn't want to win for themselves but to win for the team. Our work rate across the ground was commendable, the ability to change the angle of the passes and good work midfield gave many opportunities to our strikers. The defence worked extremely hard and were rewarded with some excellent results.

A big thank you to Kayla, Mia, Morgan and Jess who helped us out this week, you all played extremely well.

METRO LEAGUE

Ladies Metro 1 vs Raiders (Won 5 - 1)

Best: D. Murphy, L. Anderson/S. Clark, O. Hasselerharm

Goals: D. Murphy (3), M. Farrow, O. Hasselerharm

On a tough week to field a team with half our regular players missing, you wouldn't have known it on the field. The girls played like they had been together all season and it was an exciting game to watch. A huge thanks to those that came to our rescue. We have some tough games coming up but we now have the girlpower for a great run to the finals. Dee was on fire with 3 goals!

Goals: K. Sparkes (2), D. Murphy, C. Smith

We had the fire power tonight and scored quickly. With no subs the girls ran their hearts out and played a brilliant game. Canning came back strongly but we held on to win with a great save in the dying seconds by Annette S and a game saving "let's wind down of the clock" by Maris. No broken bones this time but there will be bruises!

A good win against WASPS. Let's keep it going fellas

Mens O40 Division 4 vs Lions 4 (Lost 2 - 3)

Best: P. Brennan, B. Kennington, S. Criddle

Goals: S. Pszczola, B. Kennington

Both teams started strongly in the first half playing hard but fair game with each enjoying a number of opportunities to score. Melville made the most of their opportunities scoring twice and taking a 2-0 lead into half time.

Lions came out fighting in the second half and scored shortly after the break after some sustained pressure. The game then became a battle of the backlines with each having to repulse a number of attacks. Lions made the most of their chances scoring another 2 times to win the game 3-2.

Mens O50 Division 1 vs Aquinas (Drew 1 - 1)

Best: D. Wilson, R. Achemedei, D. Loffell

Goals: K. Harper

Up against Peter Crowe and Aquinas is always a great challenge. Melville had periods of domination without being able to goal and break the game open. A good competitive game.

Mens O50 Division 2 (Gold)

Best: B. Morrison, B. Bocking, G. Hunt

Goals: G. Hunt (2), A. Marshall (2), G. Coleman, A. Spear

Good to come away with a win, to put some distance between us and the third placed team. Probably one of our best performances so far this season.

Mens O50 Division 3 vs Hale (Won 3 - 1)

Best: J. Christie, D. Stonehouse, A. Wood

Goals: A. Wood (2), M. Hudson

Hale with only 10 players at the start got the first goal on the board. This rattled us a bit and even though we had the majority of the play it took some time before Andy equalised. The second half was a different story and we made more of our opportunities running out winners 3 - 1 maintaining our position as second on the ladder.

JUNIORS

Boys 11/12A vs WASP (Drew 3 - 3)

Best: Hayden, Macca, Tim

Goals: T. Dickson, J. Floyd, T. Ziegelaar

After a long mid season break we had a bit of a reality check after playing well before the break. We struggled to get into the game early and as a consequence we played catch up for most of the game. The last 15mins we started to move the ball with purpose and opened wasps up scoring goals in quick succession to get it to 3-3. We had a couple of chances to steal the victory late but it wasn't too be. I'm sure the boys learned plenty and are looking forward to next week.

Girls 11/12A vs Hale (Drew 2 - 2)

Best: E. Gebauer, M. Hagen, M. Foss

Goals: M. Hagen, I. Gurbiel

A shame it took us half a game to figure out that we were actually back from the holiday break and playing hockey again. Tennis is what we played in the first half, hitting the ball straight back to them and getting the ball hit straight back at us. Except they managed to score 2 goals in that period. Scrappy unforced errors aside, the second half we figured out what we were meant to be doing, scored 2 goals and managed to draw the game. SIMPLE HOCKEY with solid basics is all we have to play to win. Just being able to do it for 70 minutes is our challenge.

Goals: J. Schonken (4), W. Stewart (2), R. Bright, B. Dowie, D.

Forbes, K. Potter, J. Scanlon, A. Vanzuylen

After a couple of weeks off the boys came back to hockey with an excellent 12-0 result to kick off a great day for the club at PHS against WASPS. We were able to control the ball and stuck to the game plan of moving the ball with speed to create chances to score. 3 goals in 1 minute in the first half set the tone but to the boys credit they continued to play a disciplined style of hockey and shared the goals around... Mostly anyway. Well done boys we have started well coming into the business end of the season.

Girls 9/10A

Best: C. Hobbs, N. Flynn, J. Vanderzwan

Goals: K. O'Sullivan (2), A. Drane, C. Hobbs

Great game by the girls. Everything we said we would do offensively, we did. We moved the ball quickly, kept possession for large passages of play, and made plenty of opportunities going forward. Defensively a little bit loose at times, but restricting the bench mark team in the competition to just one goal was a huge sign of our defensive efforts. We just had to score more goals than the opposition to win, and we did this today. Hopefully this sets our standard for the rest of the year and we are able to build on this in the lead up to finals.

Boys 9/10A Reserve vs Westside Wolves (Lost 0 - 4)

Best: D. Parkes, B. Hood, F. Stephens

The guys really put a lot of effort in today against a strong opponent. If we work hard at training we will be able to capitalise on the chances that we have been creating.

Girls 9/10A Reserve vs Lions (Lost 1 - 2)

Best: A. Baskerville, E. Arthur, G. John

A really good effort by the girls today. Although beaten in the first half, the second half was a different story & they managed to battle on and play some solid team hockey. E Arthur was great in the goals and repelled some great shots. Baskerville John & Mellor were hard working forward whilst Thompson, King Polglase & Piggford worked as a tight knit defense ably supported midfield by Bently Haig Riordan & Rolls. Jolliffe was again solid on the right.

A great team effort against the 2nd top team and the girls continue to improve week by week

Boys 9/10B (Sand) vs Ellenbrook Falcons (Won 5 - 0)

Best: J. Hart, B. Gillett, M. Ogden

Goals: J. Hart (3), H. Brown, T. Walker

Another good win after a slow start, adapting to the fast turf. Another impressive hat-trick to Joseph.

Girls 9/10B (Sand) vs Hale (Lost 1 - 2) 2

Goals: M. Raja

The girls played so well and didn't deserve to lose. A disallowed goal was a real shame as it would have put us in lead. Well played Josie in goal - you made some excellent saves keeping us in the game. Great play by the girls we just need to work on our goal instinct in front of goal!

Girls 7/8A vs WASPS (Won 2 - 0)

Goals: G. Needham, L. Cocks

Getting back into hockey from the long break, all the girls were excited to get back to their winning ways. We started the game strong and had several shots within the first minute. It took most of the first half to break the deadlock, with some nice passing and good communication. The second half was much the same with the girls scoring again late in the half. There is still a lot of work to do for the girls to be able to take top of the table again.

Boys 7/8A Promotion vs Whitford (Won 1 - 0)

Best: T. Williamson, Z. Swinton, J. Birmingham

Goals: Z. Swinton

First game back after the mid-season break lead to a few rusty sticks however Melville's effort and team play could not be questioned. Melville had far more opportunities to score than their opponents with one thing in their way; a super-fast goalie with the reach of Mr Fantastic. Great mid-field control from Tom Williamson, Joe Birmingham and speed up-front from Zac Swinton, along with the team's commitment to carrying out Gav Buyers' instruction to keep a clean slate ensured the win for Melville.

Girls 7/8A Reserve

Best: S. Pillay, C. Evans, E. Arthur/C. Templeman

Goals: M. Chanter

A very entertaining game played in excellent spirit between both teams, but heart attack material for coaches and parents. There were plenty of opportunities at both ends with goalies from both teams keeping shots out. However, with very little time left on the clock, we managed to force our first short corner of the game. A great strong push out from Oli and an accurate shot from Mathilda saw the ball rebound to Milah who was in perfect position down low on the post and managed to scramble to ball in the goal despite some desperate defence from Wolves. Things to note from this game: we must support the player with the ball - too many times we got isolated with the ball with no-one working hard off the ball to help them out. We must also be more disciplined with our marking in defence- we must use our voices to let other players know that there are free players in the D. Great win girls!

Boys 7/8B (Gold) vs Southern River (Lost 1 - 2)

Best: J. Hood, N. Massie-Taylor, M. Harler

Goals: R. Stephenson

A tight contest saw Melville suffer a loss. The team fought to the end but skill errors cost them the match.

Girls 7/8B (Black) vs Southern River (Won 2 - 0)

Best: F. McHoull, N. Champion, A. Grant

Goals: S. Alder, G. Murphy

Girls 7/8B (Sand) vs Fremantle (Lost 1 - 4)

Best: S. Treasure, D. Swinton, L. Ryder

Goals: L. Ryder

After the 3 week break the girls played really well and though the score does not reflect this, it was probably the best team game they have had all season.

Girls 5/6A vs Lions (Lost 0 - 3)

After our 4 week break we were introduced back to hockey against the top team in Lions. Unfortunately it took our girls a little while to get in to the game and once we worked out that the top team wasn't that special, we settled into a fairly even game (I would argue with some different umpiring we could have had 0-1 which would have been a fair reflection of the game)

As requested, the girls were strong over the ball, the wing half backs generally played their defensive positions well (Hanna!!!) and the structure and position of the players was really good. As we have for the last couple of weeks training, we will focus more on offence given we have structure and defence generally sorted.

Boys 5/6A Promotion vs Whitford (Won 3 - 1)

No report

Boys 5/6B (Black) vs Newman Knights (Drew 1 - 1)

Goals: W. Bindon

A strong first half was played by the boys with 6 attempts on goal. An early goal in the second half was unfortunately neutralised by an unlucky short corner. The draw result was disappointing for the boys, as we controlled the ball for over 80% of the game. A job well done with ball possession.

Boys 5/6C (Gold) vs WASPS (Lost 0 - 2)

The boys played a really encouraging style of hockey against Wesley South Perth at Richardson park on Saturday. Some great defence by the full backs in the early stages of the game, followed up by some really good clearing ball use, saw many of WSP attacks thwarted. Wesley pounced on an opportunity late in the first half and scored from close range after several saves from our goalie.

We had the majority of the ball in the second half and used the full width of the field to progress the ball towards goals. We were unable to capitalise on four shots on goal in the second half, but the play that lead to the shots was much improved. Wesley scored again late in the game to finish 2-0.

Things to improve upon include marking players in transition and covering back when we are passed up the field. The boys should be really proud of their team play this week. Great job.

Girls 5/6C vs Southern River (Won 9 - 0)

Best: S. Huston, A. Farrell, C. Billingham

Goals: S. Huston (3), H. Patton (2), C. Billingham (2), A. Godin, C. Davies

GK being rotated through various players wanting to try the position. Sophie did an excellent job in the role of GK this week. Holding the opposition to a nil score.

With less pressure from the opposition our team had the opportunity to move backs and forwards around to have a go at different positions.

Lots of pressure from the forwards resulted in 9 goals. Our backline was great defence and feeding the ball forward.

The girls played well as a team using angled passes and looking for our players to pass to.
