### **Mens Premier Alliance vs Vic Park (Lost 1 - 2)**

Not so mighty this week but we played 3 rotations down so a 2-1 loss to full strength Vic Park was an ok result.

Had plenty of chances to score in each half but ....

Like many challenging games when you are short of numbers team effort was the best player. Mac did well in goals but does need his mum along. Forgot his shoes before the game and his back pack afterwards. D'oh!

Reckon we can beat them with a full strength team. Even with just 13 we were running stronger at games end.

Great results for 1/2s and 50/2. All winners this weekend.

## PROVISIONAL LEAGUE

### **Ladies Provisional 1 vs Newman Knights (Won 4 - 1)**

Best: I. Gurbiel/S. Chiswell/S. Bowyer/S. Hasselerharm/S. Gallimore/C. Surman/N. Matthews/T. Latham/M. Woodforde/L. Blechynden/C. Dawes/B. Coleman/L. Costa/M. Northover  
Goals: B. Coleman, S. Hasselerharm, S. Chiswell, M. Northover  
I'm not sure how I can even describe the game from the weekend. The boring information is that we won 4-1, with goals to Brianna (yes Brianna, we all know you scored), Sarah Hasselerharm, Maddie (just a push at the goal is sufficient) and Shahni. This was one of the best games the girls have played, as the ball movement from the background was of an extremely high standard, and we were able to link with our midfield and strikers to provide goal scoring opportunities.

The exciting part was the behaviour from the Newman girls. From comments towards the umpires of 'Newman, we won't get a free hit, so just play how you like' to knocking Melville girls over left right and centre, but unable to take a knock themselves. One of them was knocked over, by the one and only Loz, who then preceded to lie on the turf for a whilst, and as Chloe said, looked like a dead fish. Izzy was on her high horse because it was her 18th birthday, and since she was now an adult, she took offence to the Newman girl pushing her, so told her to 'come and see her after the game'. Big words there Izzy!!! Larissa also informed the Newman midfielders, that there was no need for the use of elbows when the ball was no where near them. Valid point Larissa, so mature of you.

For everyone on the sideline, it was outrageously entertaining! The girls played in fantastic spirit, and everyone was coming off smiling or laughing! Having played a brilliant game of hockey, we are looking forward to carrying on this form for the last few weeks of the season!

## METRO LEAGUE

### **Ladies Metro 1 vs Wolves (Lost 2 - 6)**

Best: S. Clark, M. Leighton, M. Farrow

Goals: M. Leighton (2)

We thought we had the team this time for a blindside in this top of the table clash with Wolves. They have a team of little kids but they surprised us with their speed and talent. Our second half was better and we have now obtained the much needed strategy for when we tackle them in the finals. The girls did play a fast paced and exciting game and a huge thanks to our supporters who came along to cheer.

## VETERANS LEAGUE

### **Mens O40 Division 2 vs Whitford (Won 3 - 1)**

Best: J. West, P. Smith, S. Chapman

Goals: J. West, B. Pickering, B. Lynn

A long drive for 3 points

### **Mens O40 Division 4 vs Fremantle 2 (Won 1 - 0)**

Best: J. Baker, S. Criddle, B. Gibbins

Goals: S. Criddle

A very interesting game between top side Fremantle and 2nd last Melville. When looking at each sides respective position on the ladder predicted results would have Fremantle winning easily. The game began at a torrid pace with both sides throwing the ball around and generating a number of good chances which each side failed to capitalize on early in the first half. The game then settled into a battle between both defences with lightning counter attacks. However no goals were scored up to half time. The second half started much the same as the first with both sides striving to score with little success even though numerous chance are created by both teams. This half was characterised by tight marking and strong defence. Shortly before full time Melville was awarded a shortcorner which was converted off a deflection breaking Fremantle's confidence. This did not stop them from mounting repeated counter attacks which were repeatedly repelled with the game finishing with a 1-0 score line in favour of the underdogs Melville.

### **Mens O50 Division 1 vs YM (Drew 1 - 1)**

Best: R. Achemedei, D. Wilson, G. Currie

Goals: C. Simpson-Bint

Solid game. YM managed a late goal as we tired.

### **Mens O50 Division 2 (Gold) vs Wolves (Won 2 - 0)**

Best: T. Brooks, B. Bocking, P. Matthews

Goals: A. Spear, A. Starling

Stephen plays his 200th game and thanks to Leo doesn't add to his career 4 goal tally.

Whip plays for 15 minutes, 8 minutes more than doctors orders.

Andy Spear scores his third goal in three games.

Andy Starling puts in a flick to secure a win over the undefeated top side.

### **Mens O50 Division 3 vs Kalamunda (Drew 0 - 0)**

Best: J. Christie, T. Patton, C. Avent/J. Delaney

Kalamunda are the number one team and we are number two. We took it right to them had many more scoring chances but could not convert. Defence held up well under pressure. A draw was a fair result.

### **Mens O60 Division vs Wasps (Lost 2 - 5)**

Best: G. Bowater, B. Porter, G. Riley

Goals: G. Bowater, B. Porter

We travelled to Richardson Park to play second placed Wasps 4 determined to not allow them to score heavily in the first half. We played a very good style in the first half and they were only 1 up at half time. When we scored an equaliser in the second half they went into mild panic but we lost focus without one of our full backs and allowed them to score 3 goals in the last 10 minutes. A disappointing end as we had worked very hard to restrict but I guess we did improve by 2 goals from the first round at least.

## JUNIORS

### **Boys 11/12A vs Wolves (Lost 4 - 6)**

Best: J. Floyd, N. Page, T. Potter

Goals: J. Floyd (2), H. Parkes (2)

A tough game against wolves but the boys acquitted themselves well. We again tried some new ways of pressing which worked well and allowed us to turn the opposition over in our front half. This gave us a number of opportunities to score. Our ball movement is as good if not better than every team but we need to keep striving for a full 70min performance.

## **Girls 11/12A vs Wolves (Lost 0 - 2)**

Best: E. Gebauer, T. Power, L. Cahill

We continue to improve in the way that we're playing. Coming from 6-1 the last time we played them, bringing it back to 2-0 is an outcome itself. We linked far better than we have for a lot of this season and the idea behind what we were doing was right, just lacked a bit of pace and execution at times. Defensively we were a whole heap better, with a lapse leading to the first goal. Still need to play a solid 70 minutes of consistent, simple, well executed hockey, however we are on the way there - would say about 3/4 of the game was played exceptionally well. Keep up the improvement!

## **Boys 11/12A Reserve vs Westside Wolves (Lost 0 - 5)**

Best: L. Metcalf, C. Deaville, M. Gillard

Melville played a competitive game without putting any goals away.

Another great game of defending by Liam Metcalf, with very positive comments from our competitors' grandstand.

Wolves Manager complimented Melville on a good friendly game, congratulations boys, well done!

### **Girls 9/10A**

Best: L. Anderson, B. Carew-Reid, N. Flynn

Goals: K. O'Sullivan (2), J. Vanderzwan

It was an interesting game to coach and spectate. No one in this age group should be made to play a half field press, so actually felt kind of sorry for the opposition; they just played a very negative style of hockey without trying to score goals. The test for us then became a matter of patient, yet intent, ball movement to give us the best opportunity to score. Not the free flowing play we normally play, however we were able to get the required result. Positive for us is that good teams just find a way to win.

### **Boys 9/10A Reserve vs UWA (Lost 0 - 4)**

Best: b. Cole, J. Lawrence, L. Downey

The boys played a great game today against a difficult opponent. A big thank you to Brandon and Bailey for helping us out this week. Only a few games left now so lets keep up the intensity and really push to make these last few games great.

### **Girls 9/10A Reserve vs UWA green (Lost 1 - 2)**

Best: I. Piggford, L. Mellor, C. Bentley

Goals: A. Baskerville

We watched a great game today, The Melville girls were switched on right from the get go.

The backs worked tirelessly and provided multiple opportunities for the forwards. Melville held the lead for all but 10 minutes of the game and it took a great goal by UWA in the dying minutes of the game to win it. Great work girls, we look forward to the Raiders next week on our home turf.

### **Boys 9/10B (Sand) vs Hale (Won 8 - 1)**

Best: B. Gillett, J. Hart, M. Sidaway

Goals: J. Hart (6), K. Vester, T. Walker

Another great result after a sleepy start: the team went 0-1 down and took about 15 minutes to get cranked up. Brilliant burst of 5 goals in 12 minutes followed that point. All players contributed.

### **Girls 9/10B (Sand) vs Pirates (Drew 1 - 1)**

Goals: T. Godin

An outstanding effort from the girls with 9 players! Well done girls. You really deserved to win. Short corners and shots were in abundance but sadly only one goal. The Pirates managed to score a runaway goal to secure a draw.

### **Boys 7/8A Promotion vs AW Reds (Drew 2 - 2)**

Best: Ethan Elliott, Tom Williamson, Bailey Hardy and Dan Moulin

Goals: D. Harris, D. Moulin

The first half of this game was probably Melville's best half of hockey this year, leading 2-1 at half time. It had everything from great defence to a high level of midfield control and a couple of great goals scored by Dylan Harris and Dan Moulin. The entire match was close, with AW-Reds pressure stepped up in the second half although Melville's defensive play throughout the midfield, backs and goalie matched their efforts. Melville had two short corners in the final minutes of the game, providing the ultimate opportunity to win the match and keeping all spectators on the edge of their seats ... more work at training needed. A good end result though against a team who have only lost one game all year. Well Done Boys!

### **Girls 7/8A Reserve vs UWA Green (Won 1 - 0)**

Best: S. Pillay, O. Patton, G. Munnings

Although the score line reads 1-0, this was an absolutely dominant performance. The game was essentially played in our attacking 25's, with our fullbacks pressing up into the opposition half and re-loading our attack every time UWA manage to scramble the ball out of the D. For most of the game, UWA had every player inside their defensive D and they defended valiantly with their goalie called on many times to make a save. We were unlucky not to score from several short corners and we moved the ball beautifully into the D all day, but it's pretty hard to score with that many defenders in front of the goal. However, with some quick accurate passing, we managed to get Ellie into the clear and she didn't let us down, slotting a great goal from right in front. Things to work on – shooting to the side of the goalie and if you can't get a shot, work the ball onto a foot for a short corner. A great win that puts us more than a game clear on top of the ladder with two games to go. Finding best players is very difficult as everyone is playing really well and fulfilling their role. Keep going girls!!!

### **Boys 7/8B (Gold) vs Aquinas (Won 4 - 0)**

Best: Q. Kieser, H. Armstrong, B. Creighton

Goals: M. Harler (2), K. Osterhage, R. Stephenson

Melville kept the pressure on all game to come away with a solid win.

### **Girls 7/8B (Black) vs Lions Gold (Lost 1 - 4)**

Best: G. Murphy, F. McHoull, M. Frossos

Goals: S. Alder

No report

### **Girls 7/8B (Sand) vs CT Pirates (Won 2 - 1)**

Best: M. Lane-Rose, G. Lawrence, S. Aremanda

Goals: A. Willis, S. Aremanda

Strong running game by the girls this week, close right to the end.

## **Girls 5/6A vs Westside Wolves (Won 2 - 2)**

## **Boys 5/6A Promotion vs Joondalup (Lost 0 - 2)**

The forecast rain stayed away, but the boys didn't manage to secure a win this week in Iluka. Special mention must go to Kirby and Ben at full back who absorbed a lot of pressure from the Joondalup attack. Torin made some good saves in goals too. The bobbling ground made for difficult defence, but Joondalup was restricted to only two goals.

## **Boys 5/6B (Black) vs Joondalup Lakers (Won 3 - 0)**

Goals: W. Bindon, Z. Bloomfield, A. Rolls

Another 3-0 win by the boys. All contributed to a solid performance, keeping the ball in our half for most of the game. Urgency in the 'D' is improving with the opposition's defence being put under pressure. The halfbacks and full backs did a great job ensuring Lachlan our goalie had another boring game.

## **Boys 5/6C (Gold) vs Dale (Won 4 - 1)**

Goals: A. Harvey (3), J. Foss

This week we played Dale at Stevens and the rain held for us. The boys started well from the first whistle and scored early. The early goal really lifted the boys and they played great team hockey. We witnessed good passing and usage of the wings to drive the ball down the field which resulted in two more goals. The boys also showed great improvement in defence and being accountable for their player. Unfortunately, Dale did score an easy goal as our intensity declined, although we responded and finished the game with a late goal, and a 4-1 win. Great game to watch Boys, Well Done!
