**Weekend Games** – Well I am happy to report that the Women Promotion 1 team has mathematically made it into the Premier League 1 Grade next year. This well drilled skillful team played brilliantly to beat Aquinas Reds considered the favorites on Sunday with a 4 - 0 win. The professional and clinical approach to this game puts our ladies in a win win situation. Coach Blake Burrows was very happy with not only the result but with the way our ladies played it was a text book game played to the game plan to the very end. Don't miss the final game in these promotion/Relegation contest Thursday Evening 7:00PM 12 Sept against South West Strikers.

While the magnitude of this achievement sinks in I am proud to say that MCHC will be a Super Club Status in season 2014 with the Top Men and Women both playing in the Premier 1 Division or known as the Melville Toyota League. This is an achievement which has never been reached before in Club History. Well done to our Melville Ladies and do we dare to look forward to our Men and Women looking at finals next year.

Our Mens 2s team demonstrated their dominance in the grade by regaining their Mojo with a convincing 6 - 3 win against a very strong team. Unfortunately our 3s men went down with a gutsy 2 - 1 loss.

**As we draw closer to the end of season there are still major games and major club events to take place. We look forward to you taking part in these events or official occasions.. If you wish to become a volunteer please do not hesitate to make yourself known to any committee member. We need your help to support this mighty club.**

**AGM – Please be advised the MCHC AGM will be held Monday Evening 16 Sept, 2013 – 6:30 PM. If you cannot make it nominate a proxy. This will be in the club rooms.**

**Presentation Night – Please be advised the senior presentation night will be held at Tomkins on Swan 4<sup>th</sup> October. Tickets are now available at the Bar \$80.00 each. This will be a Gala Event do not miss it during this important year.**

**As always please support your teams who are in finals over the next weeks. They have worked hard to get there along with their coaches and managers to represent our club at this key time.**

I wish you all a very good week of finals and look forward to seeing you at Melville Hockey soon.

**Gary Bowater - Melville City Hockey Club – President.**
